TWO SIGNALS FOR SKYLINE THIS AUGUST

Long - sought traffic signals for the hazardous Westmoor and Westridge intersection at Skyline boulevard should be in operation by August 1, City Manager Howard Stites reported today.

That's the word from the State Division of Highways, he said, and the project will cost about $54,000. Daly City must pay half of the cost, the state the rest.

Stites said the city council's request that the county share Daly City's portion of the expense has not been answered. The council sent the letter to county supervisors two months ago.

Stites said the Skyline signals would probably number about 10 at both intersections.

The Westmoor and Westridge intersections the past few years have constituted the biggest traffic dangers in Westlake. Repeated protests by Westlake Improvement Association and the city council accelerated the state authorization of signals.

Two Recreation Sites 'Okayed' For Palisades

Chairman Dennis Franco's Citizens Committee Monday night recommended that the city council move immediately to acquire two sites in the Palisades for recreation activities.

One of the sites, about one acre in size, is on Westmoor avenue, owned by Henry Doelger. The second involves a five-year lease agreement with the lutheran church, which offered to let the city use the land for a ball diamond at a cost of $1 a year.

Seacliff Community Church also has offered land for city recreation use.

Doelger has agreed to give the city at least two recreation sites in the Palisades. The council also hopes to purchase another site, the federally-owned land behind the reservoir, by the time its proposed lease of the church property runs out, according to the city manager.

The Citizens Committee on Monday also asked the council to acquire a 100-foot square fire station site at the Doelger-McKoen subdivision boundary east of Skyline and south of the high school. The city annexation agreement with both builders includes provisions for this site.

The library committee did not make a report Monday. They are awaiting council talks with Doelger on the proposed site area—the "hump" property off Southgate.

Council Works 'Overtime' To Study Budget

Councilmen gather for their second special budget study session of the week this Thursday night, concentrating on the requests of the city manager, engineer, and police and fire departments.

Tuesday's first '58-'59 budget study meet, lasting past midnight, featured explanation of needs by the city finance director, treasurer and auditor, and the recreation department's draft.

Mayor Micheal DeBernardi said the talks thus far are "merely in the study stage," as councilmen are checking

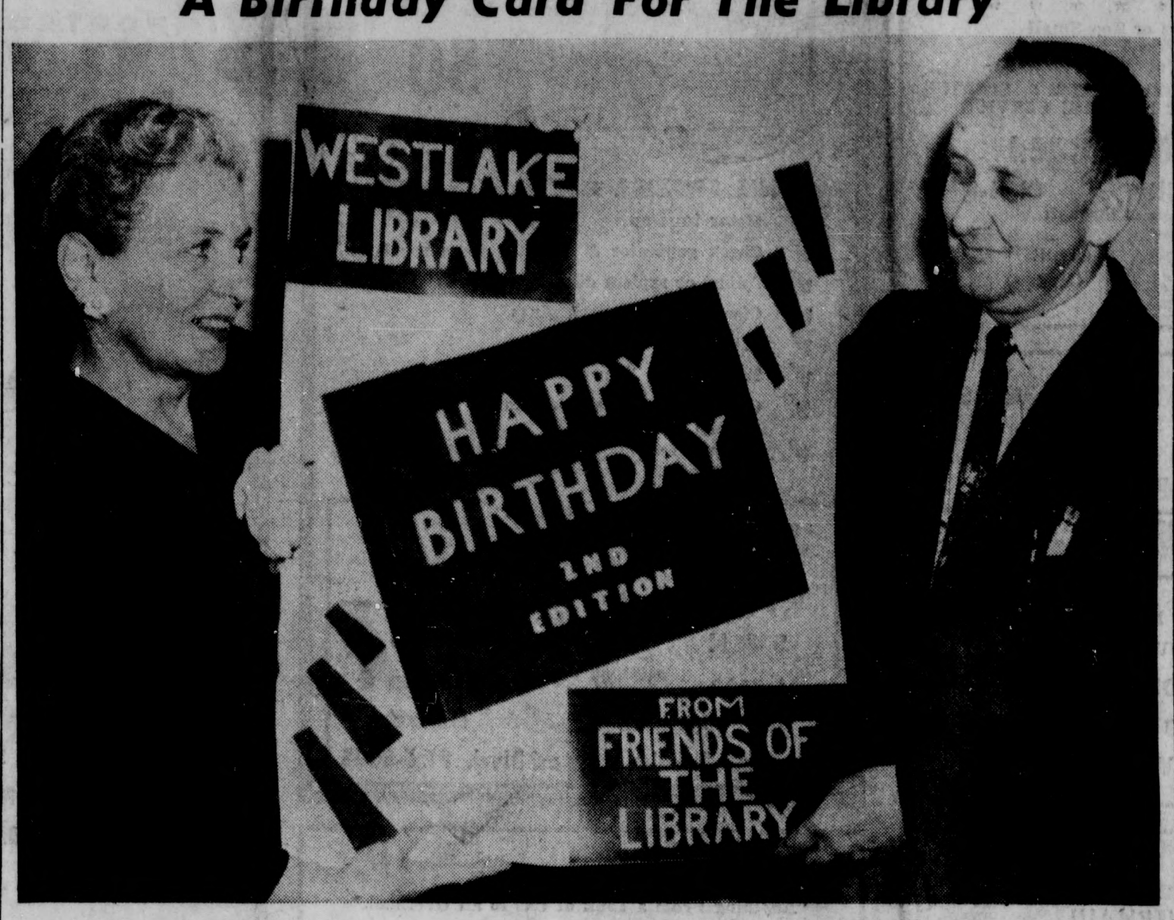
SPECIAL COP HENRY TRIBBLE DIES AT 75

Henry Tribble, special officer known by many Daly City adults and children, died last Thursday at Junipero Serra hospital, a few hours after he phoned police headquarters to say he was "feeling ill." He was 75.

A native of California, he lived at 308 Citrus avenue. His wife was the late Bertha Trimble.

Lasswell's conducted funeral services Saturday.

A Birthday Card For The Library



MARKING second anniversary of Westlake branch of Daly City Library are Mrs. U. R. "Jack" Kendree, Friends of the Library president, and Samuel Chandler, city librarian. Citizens' committee this week asked the council to renew talks with Doelger for a library site in Westlake—a quest long stymied. Daly City is far beind comparably sized communities in books per resident and library space.

Schools' Tax Election Tuesday Asks 'Raise'

The nine-member Citizens Advisory Committee today urged "yes" at the polls next Tuesday (May 27) when Jefferson Elementary School District asks residents to approve a 70-cent permissive tax hike.

Chairman Albert E. Polonsky said Tuesday's issue involves raising the allowable maximum school tax rate from $1.50 per $100 assessed valuation to $2.20 per $100 assessed valuation.

Polonsky said that if the 70-cent raise is authorized at the precincts, it does not mean that the maximum $2.20 would immediately be put into effect.

"This means, "Polonsky explained, "that if needed, because of budgetary requirements, the tax rate may be set at any figure up to $2.20.

Maximum cost to the average householder, Polonsky went on, would be $24 per year if the election is successful.

Polonsky continued, "The money obtained from this school tax does not go for the building of any schools but only for the maintenance of schools. This 'maintenance' includes teacher salaries, transportation, books, materials, and upkeep of the schools and their grounds.

He warned that the elementary school district now has "an emergency problem."

"The growing needs of this district," declared Polonsky, "is exceeding the amount of money presently obtainable under the present school tax figure. Continuance of the current tax rate means that less and .less tools will be available for the education of our children.

Polonsky's committee consists of Mrs. Edward Stern, D. L. Dilbeck, Robert J. Keith, Eugene Hedrick, Arthur Huelse, Jack White, James W. Murphy and Harry Bosberry.

The ten consolidated precincts will be open Tuesday from 7 a.m. to 7 p.m.

'Cigarette' Fire Routs Residents From Apartments

A cigarette-caused mattress fire routed five residents of apartments at 7394 Mission street Monday at 1:58 a.m. and caused an estimated $750 damage to property owned by William C. McGinnis, apartment 4.

Chief Elmer Kennedy said firemen from stations 2 and 6 responded to the scene.

McGinnis, sprawled in the hall when firemen arrived, was taken to police headquarters where he remained the rest of the night. He had been drinking, officers said.

Kennedy said the 49-year-old structural steel worker was involved in a similar mattress mishap a year ago.

McKEON 'PACKAGE'

Subdividers, Trustees Talk Sale Of Sites

School officials and the McKeon subdividers have set June 4 as date of decision for sale of three elementary sites within St. Francis Heights subdivision.

Chris McKeon and the administration met Friday and again Tuesday to speed transactions on the M. Pauline Brown, Christopher Columbus and Daniel Webster sites. Trustees hope to finally get a "package" offer from the Zita firm for the three parcels.

McKeon appears willing to heed the board's request to expedite the move by buying the land 'raw" or "ungraded."

McKeon said he has hesitated on the deal because of the realignment delay on Edgemar road, finalization of street costs, and an agreement with the school district that the latter would take no more land within the subdivision.

Supt. Henry Weibel said the McKeons already have the board's policy on these three specifications.

Weibel and staff will report to trustees June 4 (in a special meeting) on the feasibility of purchasing the new sites in a package, as per offers made by McKeon.

Trustees still have not heard from San Francisco officials on the Daly City district's readjusted plan for the new General Pershing site. SF opposition forced JESD to reduce the size of the site and state officials refuse to grant a loan to JESD for the land until SF is "satisfied."

Crocker-Pershing PTA mothers, meanwhile, have voted to accompany the JESD staff to the next State Allocations Board meet to request the Pershing loan—as soon as state officials are convinced SF "opposition is resolved."

BIG GAME HUNT?

McKeonville Mountain Lion (Lynx) Uninvited 'Guest' Of Subdivider

The "Mysterious Mountain Lion of McKeonville" played hide-and-seek with Daly City police here Monday.

Well—not exactly a mountain lion . . . but a lynx (swift-moving wildcat), which was spotted roaming the McKeon subdivision tract in the hills south of Westmoor High School.

Bulldozer operators called the cops when they spotted the big fellow lurching in the high grass near the graded area. Officer Charles Munday, who swears by the "Adventures of Frank Buck," responded with a shotgun.

Few minutes later, Asst. Police Chief Roy McLaren arrived, then the pair spotted the intruder.

McLaren lifted his 30-ought-6 rifle and fired two shots at the creature. It fled and disappeared.

Munday and Councilman Bob St. Clair returned to the hills Tuesday night to hunt the lynx. Dead rabbits on the McKeon property bore evidence of having been attacked by the cat.

Old-timers figure the lynx may be the same one Colma Police Chief Ray Lagomarsino chased not too long ago.

Free Chest X-rays Scheduled Here By County Unit

The Christmas Seal Chestmobile will offer free chest X-rays in Daly City for four days the first week of June.

Persons over 15 need no appointments at the following locations: Tuesday and Wednesday, June 3 and 4, Mission and Bepler; Thursday and Friday, June 5 and 6—Westlake Shopping Center. Hours will be noon to 7 p.m. on Tuesday and Friday and 10 a.m. to 5 p.m. on Wednesday and Thursday.

Pacifica residents can get X-rays on Monday, June 9, at Pacific Manor, and Tuesday, June 10, at Linda Mar. Hours will be noon to 7 p.m., both days.

Colma Exceeds 'Cancer' Goal, Gathers $811

Colma, the little town with a big heart has gone over its quota for the current San Mateo county Cancer campaign fund drive. It has turned over $811.90, to the Cancer Society headquarters topping its $750 total.

County Cancer Society President Mrs. Grace Hedge voiced "a very special thanks to the wonderful people and hard-working volunteers who made this donation from the entire community possible."

In charge of the drive for Colma was Mrs. Blanche Lagomarsino. Her territory also took in the Colma-Sterling Park district.

A special barn dance was held in the Colma town hall, attended by 250 persons.

Mrs. Lagomarsino issued the following list of names of con-

APPLETON, WIMBERLY FALL

Verducci, Noonan Pull Upset; Fontana, Eason Shade Cooper

Despite the usual apathetic poll turnout, incumbents Hartley Appleton and Mrs. Doris Wimberly lost re-election bids here Tuesday as Frank Verducci and Thomas Noonan won three-year seats on Jefferson Elementary school board.

In an even more torrid scramble, high school district incumbents Elio A. Fontana and Mrs. Anna Eason narrowly edged Coastsider Jim Cooper in the a three-candidate race.

School teacher Verducci, 70 Westdale avenue, led the elementary ballot with 1294 votes. Noonan, telephone company worker of 471 C street, Colma, got 1026. Appleton's tally was 959 and Wimberly received 871.

Others: Martin Orloff, 597; Joseph Schultz, 491; Owen English, 299; Donald Lesher, 165; Arthur Huelse, 133.

Bruno, Christen Lands 'Urged' For JC Campus

After five months of extensive field trips and surveys, the 33-member Citizens Advisory Committee has recommended two sites for the proposed northern San Mateo County junior college.

Trustees of the San Mateo Junior College District, who got approval of a $600,000 bond issue at the polls last October to purchase an 85-acre site, are now studying committee reports on the two "most suitable" sites and nine others that were considered.

Chairmaned by Daly City's Julian D. Cohn, the citizens' group recommends purchase of either the Liebman property, in Pacific Heights west of Skyline, or the H. C. Christen dairy land, west of Junipero Serra boulevard and bordering the old Chinese cemetery.

Central location, accessibility, and weather were the main factors behind these recommendations, according to the 20-page committee report submitted to trustees.

Communities to be served by the northern junior college are Daly City, Colma, Broadmoor, Pacifica, Bayshore - Brisbane, South San Francisco and San Bruno.

The report said that enrollment projections by 1965 necessitate the second junior college by that year. By June, 1968, some 3415 high school graduates will be ready for college in the area to be served by the north county junior college.

The proposed college, according to the committee, should "adequately" accomodate about 3500 day students.

Sanitation Board To Decide Budget

Main item on the June 2 agenda of Northern San Mateo County Sanitation District directors will be the budget for the new fiscal year.

In the only main business Monday, directors accepted sewage plans for Westlake Basin School, okayed an easement for Bocci to correct an overflow problem near the Colma pump station, and accepted improvement plans for St. Francis Heights subdivision.

The directors are chairman Edward Dennis, Micheal DeBernardi and Tom Callan Sr.

NEW PUMP ELIMINATES WATER WOES

Shortage of water in lower Palisades homes ended Saturday afternoon when city workers finished installing a new 30-horsepower pump at reservoir number 5.

Demand for water in this area was so heavy Thursday and Friday—and the old pump (a 15-horsepower affair) was so overtaxed, that homeowners virtually were without water.

City Manager Howard Stites said he contemplates no additional water shortage woes in this area since the two pumps should take care of the demand adequately.

He said the 30-horsepower pump would be used during the day and the old pump at night.

Stites also said the quake-damaged Palisades reservoir will be operating normally again in about two weeks. The floor has been patched and Public Works Director Otis Calhoun is satisfied that the big tank will function effectively.

Citizens' Water System Committee on city master planning Monday night said they would meet with Calhoun in two weeks to give further recommendations on their surveys.

'Casbah' Burglar Cops Small Change

A burglar who broke in via a back door early Sunday morning got about $20 change from the juke box and cigarette machines at the Casbah, 6192 Mission street.

Owner John Trimble said the theft occurred between 2 and 3 a.m.

Coastside Election, JC Race Results

Chairman William K. Croman was re-elected and the Rev. David A. Leach won the second seat in the Laguna Salada School District trustee election Tuesday. Croman had 902 votes, Leach 609, Frank P. Corcoran Jr. 562, and Frank Ballew Jr. 342.

Corcoran also failed in his bid for the San Mateo Junior College District board. Incumbents Robert C. Garvey (8444 votes) and U. S. Simonds Jr. (7780) defeated the Coast candidate, who mustered 4319 votes.

Effect of the loss of chairman Appleton and Wimberly on Supt. Henry Weibel's future as district chief is not known. Verducci and Noonan have made no official comment as to whether they would seek to have Weibel reinstated.

Only two candidates, Orloff and English, made their support of Weibel a campaign issue.

Chairman Fontana was tops in high school returns with 3033 votes to win his third term on the board. Mrs. Eason captured her fourth victory with 2867 votes. Cooper, whose backing in Pacifica was heavier than Fontana and Eason combined there, managed 2663 votes. Cooper's margin came only in his own area.

Fontana polled 2110 votes in Jefferson District, 493 in Laguna Salada, 354 in Brisbane and 76 in Bayshore. Eason has 1949 in Jeff, 461 in LS, 384 in Brisbane, and 73 in Bayshore. Cooper had 1165 in Jeff, 1111 in LS, 341 in Brisbane and 46 at Bayshore.

Only 3122 voters voted in the elementary race and 5275 in the high school decision.

Jury To Mull Molest Case Of Westlaker

A jury this Thursday in municipal court will weigh the case against Oscar Furtado, 51-year-old Westlake man charged with molesting two girls, 6 and 8, in March.

Furtado, of 40 Pinehaven drive, faces prosecution for vagrancy and indecent exposure— both misdemeanor charges.

Parents of the youngsters said the incidents occurred in Furtado's garage.

ARMED ROBBER GETS $90 IN MARKET RAID

A calm armed robber got $90 in greenbacks Monday at 2 p.m. after he walked into Mid-City Market, 6718 Mission street, and shoved a revolver into the face of clerk Aileen Selmi.

The woman said the gunman appeared "professional" in technique, carrying the automatic in a shoulder holster. He pulled the stickup after asking for a pack of cigarettes, then fled north on Mission.

Miss Selmi told Sgt. Philip LaBruzzo the robber was about 5-8, 170 pounds. 35 to 38 years old, and wore dark glasses and a tweed suit.

A man fitting the same description staged a similar "job" the next afternoon in Burlingame, LaBruzzo reported.

VICTORS AND THE VANQUISHED

Both Daly City school board elections Tuesday brought down-to-the-wire finishes, and in one of them, the incumbents lost their jobs.

As expected, the unusually large field for the two Jefferson Elementary seats split the vote, nullifying the re-election bids of incumbents Hartley Appleton and Doris Wimberly.

The tallies mustered by high-vote Frank Verducci and runnerup Thomas Noonan were convincing, though Appleton and Wimberly received considerable support.

Whether the incumbents' loss will affect the status of Supt. Henry Weibel is uncertain. Neither Verducci nor Noonan has had much to say publicly about the superintendent's dismissal."

Martin Orloff, Weibel supporter, was fifth in Tuesday's balloting. Owen English, also pro-superintendent, was next to last in the returns.

Coastsider James "Jim" Cooper gave high school board veterans Elio Fontana and Mrs. Anna Eason a close tussle. Each of the three tallied over 2600 votes in the "blanket" finish. The district indeed was fortunate to have three such outstanding candidates.

To the victors, our editorial encouragement for progress and harmony in running the schools. To the vanquished, we urge them to continue their interest in the children of our community.

FIREMEN did a slick job of salesmanship for their capacity-attended annual Widows & Orphans Ball last Saturday night. Two of the "promoters" were Lyle Church (left) and Mel Hansen. Chief Elmer Kennedy said a throng of about 1000 enjoyed the shindig at Colombo Hall.

BALLOT ISSUE

California Taxpayers' Association Fights Bill To Hike Income Tax

All-out opposition to the initiative proposal to cut state sales tax and up the state personal income tax was voted today by the board of directors of California Taxpayers' association.

The measure is to be on the November state-wide general election ballot, S. J. Arnold, general manager of the state-wide Taxpayer organization, said.

"This initiative is a serious threat not only to state activities, but to public schools and to the aid to the needy programs in California," Arnold stated.

"The state of California is already 'scraping the bottom of the barrel' so far as current tax revenues are concerned.

"The $2 billion state budget for this coming fiscal year, just adopted by the state legislature, is $120,000,000 short in current revenues. The reserves of the state are almost exhausted.

"The sales tax is the biggest single source of revenue to the state—bringing in some $600,000,000 a year.

"This initiative proposes to cut it by one-third — which would mean a drop of about $200,000,000 in state revenues from this source.

"The proposed increase in the state personal income tax would fall far short of meeting the revenue loss to the state which would come from the proposed decrease in the state sales tax.

"Should such a proposal be approved by the voters, not only would the continuance of the present high standard of state activities—such as the state university, state colleges, state mental institutions and prisons, etc.—be threatened, but the support of the public schools and the aid to the needy programs would also be jeopardized.

"Both these local government activities draw heavily on the state for support," Arnold stated.

"The 1958-59 state budget sets up $575,000,000, for state apportionments to public schools districts and $182,500,000 as the state's share of the direct aid to the needy programs.

"No one wants to see taxes reduced more than the state-wide California Taxpayers' association," Arnold declared.

"This is the first time in history that California Taxpayers' association has ever taken a stand against a tax reduction measure, but the threat to good government in this one is so serious that a stand had to be taken.

"This proposal—an initiative measure to change two state taxes—is not the sound way to cut taxes.

"If the people want taxes reduced, there's only one sound way to do it—cut the amounts our governments are spending first, and taxes can be cut right along with the cut in public spending," he declared.

COUNTY CANCER DRIVE LEADER CITES PROGRESS, NEED FOR $

The San Mateo County Cancer society has one of the lowest cost overhead operations of any similar type of organization in the state of California.

Society President Mrs. Grace Hedge made the statement today, and pointed out the local branch of ACS has only one paid full-time worker, one half-day worker, and a bookkeeper hired by the hour when returns begin to come in from the annual fund drive.

Mrs. Hedge said, "Many people in Daly City and elsewhere want to know where their contributions in the current fund drive are going to be spent. They are not interested in supporting any high-cost organization. We heartily agree. They want their money to go directly toward research, toward education, toward helping their stricken friends and neighbors —toward saving lives. That is our goal.

"We can assure the public that other than the absolute essentials, the San Mateo County Cancer Society depends almost entirely on the volunteer aid we receive from the dedicated men and women who give of their time, effort, as well as funds, in doing the necessary jobs connected with the Cancer Society's work."

The branch office, located at 220 Third avenue in San Mateo, serves the entire county.

Mrs. Hedge reported returns are beginning to come in from the countywide door-to-door canvass, and a complete report of community contributions will be issued shortly.

"Meanwhile, solicitations delayed by heavy rains early in April are continuing—and we are still asking for public cooperation," said Mrs. Hedge.

Mirza, Richards Victorious In Brisbane Election

Incumbent Edward R. Whitson was defeated Tuesday in the Brisbane Elementary School District election for two trustees.

Samuel M. Mirza, with 415 votes, and Curtis H. Richards Jr., with 391, won the vacancies.

Whitson had 221. William Vidaver's total was 194, and Stephen Rewak had 148.

Greene 'Elected'

New York — Arnold S. Greene of 18 Crestwood drive, Daly City, has been elected a member of the American Institute of Certified Public Accountants.

Greene is associated with the firm of Thompson, Dechow, Johanson and Reich in Oakland.

Snipe Sailboat Aids Girl Scout Training

By Servart Ojakian

Girl Scouts of Daly City are looking forward to many pleasant activities during summer vacation. Some will be going to nearby day camps while others will travel to the permanent Girl Scout camp at Sonora in the High Sierras.

It's a busy time for pleasurable thoughts and for looking ahead to summer fun and frolic. A great part of this anticipated pleasure may be in and around water, and in order that Girl Scouts may become more expert swimmers and 'sailors,' to learn water safety, the Mariner Scouting program was conceived to give this type of assistance and training. 'Tis the nautical branch of the Girl Scouts and as a result, 24 Senior Mariners in Ship No. 13 are having the time of their lives.

What's a sailor without a ship? And so, to make their aquatic endeavors more perfect, R. Damon, husband of Scout Leader, Mrs. Damon, recently purchased a snipe sailboat to be used primarily by the Mariners in this area. The girls are truly 'sailing in the clouds' these days. Their snipe, which is moored at Lake Merced, where the boating will take place, is 15½ feet long, with a 5-foot wide beam and draws 2 feet 10 inches of water.

Boating Course

Each year the San Francisco Red Cross gives a 10-week boating course at Lake Merced. The Saturday lessons are each two hours long. Mariners take this course in order to meet their requirements in row boating and after that in canoeing.

Mariners who have earned their Red Cross row boat certificates are: Pamela Button, Allene Downey, Maurene Kennedy, Linda McCowan, Frances Robinson, and Dolores Spinetti.

Those who have passed their canoeing tests are: Sandra Back, Carol Brown, Susan Damon, and Arlene Hansen.

Since April 14, five Mariners have been spending two nights a week taking the Red Cross life saving course in San Francisco. This is another important safety requirement. To have fun in the water program, girls must not only be skilled in small-craft operation, but also be expert swimmers and lifesavers. The Leader of the troop also must hold a current Water Safety Instructor's Certificate. The Mariners spend many hours in achieving their ratings. As they become more expert on the water, they go through the various phases of their ratings which consist of: Midshipmite, Jack Tar, Seaman, Old Salt, and the highest, Helmsman.

Crew Commanders

Mrs. R. Damon, "skipper" and Mrs. H. Brown, "mate," are leader and assistant leader for Ship 13. They have had special training in water safety and are qualified leaders.

At the recent "Scouts-in-Action" show here the sailor-blue, middy-bloused uniforms of the Mariners were indeed eye-catchers.

In their booth they had displays of maps of the Bay with locations of weather stations and Red Cross stations. Weather forecasting is another necessary and essential field in connection with their Mariner training. For those girls who love swimming and sailing, this branch of Girl Scouting would be the most ideal.

Any girls or adults who want more information on the Mariner training program, may do so by phoning Mrs. R. Damon, PL 5-5128. Inquiries are welcomed.

Crocker-Pershing PTA Sets Caravan 'Plea'

Crocker-Pershing P.T.A. members unanimously voted, at the regular May 13 unit meeting, to organize a "Caravan of Mothers" to go to Sacramento with Superintendent Henry Wiebel and staff when they appear before the State Allocation Board to plead for the General Pershing School site loan.

Newly elected president, W. A. Petersen, will form a committee to organize the "Caravan" and to provide babysitting service and transportation for P.T.A. mothers who wish to attend the meeting. Anyone else interested in joining the Caravan can get further information by contacting Mrs. Eugene Hedrick, JU 4-4427.

Cub Scouts, Troop 10 and Pack 62 under direction of Den Mother, Mrs. Jack Cronin, led the unit in the Pledge of Allegiance, followed by President Petersen's report on the C.C.P.T. state convention held in San Francisco. Petersen honored the Mesdames E. M. Hedrick, J. D. White, G. J. Burdick and W. A. Petersen, who served as hostesses at the convention.

City director of recreation, D. R. Van Nest, was guest speaker, giving a resume of summer activities with emphasis on dancing and tumbling groups which will be formed as interest in these activities grow.

Mrs. Helen Cordell, co-ordinator of Art for the school district, displayed art samples, describing techniques used in evaluating a student's progress by expressing himself through art.

Ray Cougoule Essay Winner At Colma K-6

A assembly on May 5 at Colma K-6 School saw Mrs. Welch of the American Legion present awards for the "Our American Flag" essay contest.

Raymond Cougoule of Mrs. McKeown's sixth grade class won first prize of $5 and Kathleen Egan of Mrs. Cody's class won third prize.

Frank Espina was to give his report on his visit to the Junior UNESCO Conference in Belmont, but due to illness he was unable to report.

Mrs. McKeown's sixth grade, gave a program on "What Things Are Made Of." Master of ceremonies was Raymond Cougoule. Reports were made on some of the science elements they had studied. Susan Kirschner gave her report on copper, Thomas Cameron, uranium, and Leo Gotelli and Anthony Sarasua teamed to report on carbon. Jerry Rolling talked about aluminum. Linda Gaston and Colleen Beardsley reported on gold, Joanne Jacobson reported on flourine, David Westphal on boron, and Julio Pineda on silicon.

Everyone enjoyed the reports and learned a great deal about these important elements.

King's Brisbane Players Plan Minstrel Show

The Brisbane Players, directed by former vandevillian Frank King, today told plans for a minstrel show, set tentatively for this October.

Persons who'd like to join the Brisbaners for their second production should call JU 5-0392 or JU 4-2245.

First effort by King's cast, "Curse of An Aching Heart," raised enough money to help pay for a piano for Natalie Lipman School and uniforms for the Brisbane Recreation Department baseball team.

King's associates and their duties:

Byron Jensen, scenery; Beth Duncan, music; Lenore Rigler, costumes; Louis Duncan, treasurer; Jack Smith, electrician; Dorothy Radoff, publicity; Janice With, research; Richard Trantham, props; Joy Firth, make-up; Pat Babkirk, script; Wally Burke, program; John Clancy, tickets, and Ronnie King, messenger.

KIP Workshop's New President Is Gail Vaurs

Gail Vaurs was elected president of new KIP Workshop officers at the youth organization's recent general meeting.

Others chosen: Katie Porter, vice president; Pat Root, secretary; David Featherstone, treasurer; Richard Semeria, sergeant-at-arms.

Junior supervisors are Kathy Sallade, Cathy Cubic, Irene D'Antonio, Rich Fenn, Rich Semeria, Rich Eccols and Dennis Larson.

Mrs. Florence Larson, San Francisco, is new Sunshine chairman for KIP.

All adults interested in training to become story-tellers, should call Mrs. Martha Garbe, PL 5-0133. Polly Maguire, one of the founders of the Golden Gate Story League, will teach this class, according to the KIP release.

KIP's Blue Jack combo were guest stars at the Mission Exchange Club's talent show at Redwood City. They'll play at the convention there next year.

'No Incumbent' Says Green Of County Assessor

Paul Green, candidate for county assessor, said today that he "cannot recognize the appointed incumbent as a bona fide incumbent, since he has occupied the office only since March 3, as a result of a manipulated political maneuver."

O. B. Hempstead, who has held the assessor's office, resigned on March 3, so that Ralph Woodman could be appointed incumbent.

"Furthermore," Green said, "when Woodman uses the term 're-elect' on his campaign signs, it amounts to downright misrepresentation — he has never been elected as assessor!"

Green, prominent Daly City realtor and appraiser, seeks to unseat Woodman, basing his program on the fact that the assessor should be elected directly and independently by the voters and taxpayers. He has pointed out a lack of uniformity of assessments, whereby residential property owners have been re-assessed at higher rates than certain preferred properties.

"When the home-owner is taxed at prevailing market price, and other properties are assessed at lower figures, it amounts to the home-owner paying someone else's taxes," Green asserted.

EUROPE-BOUND

Dietrich Vollbrecht, Veteran Jeff Teacher, Eyes Sabbatical Journey

Dietrich Vollbrecht, science and language teacher at Jefferson High the past 23 years, has been granted a year's sabbatical leave for the school year of 1958-1959 to further his knowledge and interests by taking an extended visit to northern European and Mediterranean countries.

He particularly plans to study developments of science instruction in the modern post-war school systems of Germany, specifically in Hamburg, West Berlin and Dusseldorf. These studies will begin at a meeting with one of the directors of education for the Federal Republic in Bonn, Germany. In the light of the many recent and rapid developments in the science fields as well as education, such studies should prove to be of great value to the science department of Jefferson.

Before beginning his studies in Germany, Vollbrecht plans to visit Northern Europe and vacation in the Scandinavian countries. He also intends to include a trip to the World's Fair in Brussels.

At the conclusion of his science and educational studies, Vollbrecht will take an extended tour to the Swiss Alps, France, and Austria, and plans to spend a part of the winter in Spain, Portugal, Gibraltar and Morroco.

His interests in Roman and ancient history, particularly that of the Egyptian, will extend his itinerary to include Italy, Greece, the Greek Islands and Istanbul, as well as a visit to the Cairo museum and the ruins of ancient Egyptian civilization.

At the conclusion of the tour, Vollbrecht plans to return to Northern Europe before returning to the United States next year.

Vollbrecht's educational background is extensive, with pre-med training at Northwestern University and studies in a science major at Miami University where he obtained his bachelor of science degree. He received his masters degree at the University of Cincinnati, and has extended his training with Ph. D. residence work at Columbia University. While teaching at Jefferson, he has added graduate work at Stanford to his program.

Vollbrecht is a resident of Millbrae and has been of valuable service to the Jefferson Union High School District in his capacity of teacher and head of the department at Jefferson, according to Principal John Mongan.

Veterans News

By Grace J. Hill

Memorial poppies which will be worn here on Poppy Day, May 23 and 24, have been received by the Daly City unit of American Legion Auxiliary from the veterans' hospital at Livermore where they were made by disabled patients. The little red flowers are being made ready for distribution by volunteer workers of the Auxiliary.

The memorial poppy is a crepe paper replica of the wild European poppy which bloomed in profusion on the World War I battlefields and cemeteries in France and Belgium, Mrs. Jean Chauses, president, explained. The World War I poem, "In Flanders Fields," told the world about these poppies, and soon after that war the poppy became the memorial flower for the war dead throughout the English-speaking world.

Making the flowers provides interesting and beneficial employment for thousands of veterans in hospitals and convalescent workrooms throughout the country. The Auxiliary provides the materials and pays them for the poppies they make. The work is considered valuable as occupational therapy and also gives long-time patients the encouraging experience of earning money again.

Disabled veterans of three wars (the two world wars and the Korean conflict) made poppies for the Auxiliary this year. It is our hope that every citizen will wear a poppy this year.

Twelve past presidents caravaned to San Jose recently to the home of past president and former resident of Daly City, Margaret Rector, where they enjoyed an outdoor potluck picnic. They also surprised Margaret with a baby shower.

Several post and unit members will attend American Legion services at Golden Gate National Cemetery on May 30. They will also assist in the distribution of "blossoms on every grave," which is a district-wide activity. Hundreds of Boy Scouts also take part in this project. The flowers are furnished by the school children of the county.

Ram Tales

by Ron Bosc

Spirit Week was held last week at Westmoor. On Monday we had Goofy Hat and Sack Day. On that day, the new "sack" look was ridiculed. Then on Tuesday, Boys' Slave Day was held. On that day, the girls carried books and other things for the boys. Wednesday was Circus Day with everyone fitted out as a clown, animal trainer, etc. Thursday was boys' turn to be the slaves and the girls really made the most of their "revenge." We not only had to carry their books, but also their dolls, wear dresses, and carry baby bottles. The whole week came to an end with a big Color Day rally Friday.

Scholarships

The P.T.A. recently presented three $100 scholarships to seniors Audrey Walker, John Edminister, and Bob Doane.

Roger Thomelson recently won a $50 award for his poster entered in the Scholastic Art Show, being one of a few to be sent to New York for national judging.

The dance and regular band put together a concert May 9, under the direction of Allen Runnells. Mr. Runnells and the group also have visited Colma Intermediate School where they were greatly appreciated.

The Pep Club will soon be selling candy, which should be a good money maker. The club, with the help of their advisor, Miss Shea, is also planning some skits for future rallies.

Jeff School Sixth Graders 'Know' Planets

Sixth in the series of science programs was presented to assembled students and faculty by sixth graders in Mrs. Ross' class at Jefferson Elementary School.

Dona Del Sarto welcomed the audience and introduced the program. "Planets" were ably discussed by Larry Taylor, Joy Kratochvil, Linda Ballor, Tina Overdevest, Francis Fletcher, Madeleine Belli, Diana Puccini, James McGarr and Patricia Johanson.

Other speakers presented topics relating to comets, meteors, gravity, the galaxy and asteroids. Those handling these subjects were: Richard Weisner, Richard Sanchez, George Howlett, Carl Duff, Carol Kay and John Ascencio. Diagrams, pictures, lantern slides and experiments added variety and interest to the program.

Acknowledgments went to Ernest Odell, Carl Johnson, Barney Cords, Edward Banos and Larry Scott for operation of projector, microphone, lights and as members of the stage crew. Art work used throughout the program was done by Jeannette Navarra and Barney Cords.

Brisbane Kids Have Festival

Last Sunday, the combined bands, choruses, and students of Brisbane Elementary School, Natalie Lipman Intermediate School, and Bayshore School presented a "Spring Festival" at Brisbane Recreation Center.

The bands played a number of selections and the choruses will sing. The first-through-eighth grades joined in folk-dancing.

After the program, there were refreshments on sale, and a bazaar sponsored by Brisbane PTA, according to Sandra Gylfe, editor of the school paper, the "Super Snooper."

Sergeant Britting New Marine Corps Recruiter Here

S/Sgt. Paul Britting, 23, native of LaCrosse, Wisconsin, and combat veteran of Korea, has joined the recruiting staff of the U.S. Marine Corps' Daly City office.

Britting and his wife, Jane, are parents of two daughters.

In the service six years, Britting was a drill instructor at San Diego prior to assignment here.

Lose Weight Fast: Join TOPS Here

Do you want to lose weight? The nationwide club "TOPS" has a branch in Westlake and is open to residents of Daly City and Pacifica. This is a non-commercial organization where overweight women talk over a common problem and lose weight together.

The Town Record

By Roy Hurlbert

Judge Tom Bocci's staunchest supporter in his tireless campaigning for D.A. is his wife.

She's giving her all for hubby —even though the couple are infanticipating.

Moms-to-be are told to exercise. The Bocci's are overtime in this department. Road to victory demands it.

Councilman Bob St. Clair is spending extra hours studying city government these days.

The brewery strike-lockout has kept him idle. He works in public relations for Burgie. Also serves as "front man" for a football team of sorts.

Pacific Supermart, the plush establishment which replaces ye auld DC Theater (Flournoy-Mission-San Jose), should be ready August 1. It's coming along on schedule and looks right modernistic.

DC Garden Club, has set "Calvalcade of Daly City," as theme for its fifth annual show, this September.

Displayed will be old pictures and reminders of DC when it was a burg next to the big town.

Back then, farmin' and feuding prevailed here.

Most of the farmin', at least, has been eliminated. As for the feuding, what can you expect when there's more folks?

Names are interesting. Michele Seesee is a lovely little lady at Colma School. And Miss Rosalie Zarzana, Colma Intermediate teacher, is one of the prettiest school marms we've seen in quite a spell.

Unsigned letter-to-editor this week berates women who have written letters-to-the-editor on the Jefferson Elementary School District's trustees vs. superintendent situation.

The unsigned writter, probably a woman (judging by the handwriting), said these ladies should let their men engage in matters of decision and controversy.

"Let the women stay home and concentrate on being wives and mothers . . . . there will be less divorces and juvenile delinquency," the letter reads.

All we know is that women are here to stay. The more voice they have in the community the better. Too many don't take the time to exercise the privileges of democracy.

A Daly City candidate for muni judge was fittingly angry last week. One of his signs was "burned off" a Broadmoor garage door, periling the residence and its occupants.

Juveniles may be responsible. But around election time, adults sometimes resort to such vandalism.

Pretty bad when they stoop so low and do it dangerously.

Colma Officials Support Becker For Muni Judge

Mayor John Newton and Councilman Ray Ottoboni, of Colma, today added their names to the long list of prominent north county officials backing Charles Becker for municipal judge in the June 3 primary election.

Said the veteran Newton:

"Becker has a record of experience and fairness to all. He served our community as judge before the municipal court was authorized in 1953, and we believe he is best qualified to preside over the Northern Judicial District."

Marijean Stephens Jeff High Girls' State 'Delegate'

Marijean Stephens, a student at Jefferson High, will represent the Daly City and Brisbane American Legion units at the Girls' State session to be held in Davis, June 22 through 30.

She will be among honored guests at the Girls' State luncheon at Brentwood Lodge this Saturday. Ten girls from the 26th District will be present.

Other distinguished guests include: Elizabeth Rice, department Girls' State chairman; Dana Kleinke, department vice president; Laura Mahan, department secretary, and Frances Connolly, president of the 26th District. Those attending from the Daly City Unit include the Mesdames Rose Giorni, Anne Welch, Vivian Pahlka, Margaret Kenney and Grace Hill. Several members from Brisbane will also attend. Mrs. Hill is district chairman and in charge of the affair.

To new residents in the Palisades, Pacifica, and Westlake it is also a chance to make friends.

Anyone interested, please contact Jackie, PL 6-7412, or Veronica, PL 5-3099.

COLMA PTA ENTERTAINED BY STUDENTS

Students of Jefferson School presented an interesting program for the May meeting of the Colma P.T.A.

The Glee Club, 60 students from fifth and sixth grades, opened the program with several selections under the direction of Mrs. Patricia Hackett, with the piano accompanist, Mrs. Alida Ferber, fourth grade teacher.

Sixth graders of Mrs. Ross' class presented a repeat performance of their science program, "The Sun's Family of Planets."

Diana Puccini followed with an accordion solo. Jefferson School orchestra of fifth and sixth grade students, under direction of Richard Snyder presented several selections. The program closed with a finale by the Glee Club.

Mrs. Frank Hanly's entertainment committee served refreshments.

Special guests were Supt. and Mrs. Henry Weibel and Mrs. M. Pauline Brown.

Mrs. Robert Adams and Mrs. George Bertucci represented the unit at the CCPT convention in San Francisco. Mrs. Adams attended the 17th District Workshop Thursday.

Colma PTA executive board will meet May 29 in the nursery room of Jefferson School.

Brisbane Dance

The Brisbane Curvettes will present a dance this Friday evening, starting at 8 o'clock, at Brisbane Legion Hall. Tickets at the door cost 50 cents for stags, 75 cents for couples.

God's free gift is the Life of the Ages, bestowed upon us in Christ Jesus our Lord.—(Acts 6, 23.)

As He promised in the days when He walked among men, Christ Jesus is with us today when we open our hearts to Him in faith and devotion, when we love Him as He loved us, sacrificing our self-will and self-indulgence as tiny tokens of the sacrifice He made for us on the Cross.

Bay Explorer Scouts Eye Safety 'Run'

Nineteen San Francisco Explorers who will carry their Boy Scout council's banner May 24 in the Bay Explorer Safety-Economy Run today had their first glimpse of the official map and log of the 90-mile route which will test their safe-driving abilities.

A committee of 13 Bay Explorers and the California State Automobile Association joined in releasing full course information for the benefit of the total of 100 Explorer entrants who will represent six Scout councils in the event.

San Francisco contestants will be joined by Explorers of the Marin and San Mateo area councils for the start at the Mobil service station, Polk and Hayes streets, San Francisco. After free fueling, the total of 50 scouts will drive south on U.S. 101 to connect with State Route 17. Following this highway into Oakland, they will finish at the Mobil station at MacArthur boulevard and Webster street.

Alameda, Oakland Area and Mt. Diablo council Explorers, also totalling 50, will trace an identical route, but in the opposite direction to that of the west Bay group, starting at the Oakland service station and finishing at Polk and Hayes in San Francisco.

Theme of the Safety-Economy Run is "Safety Good Turn," national program requested by President Eisenhower for the Boy Scouts of America in 1958.

Four winners of trophies will emerge from the 50 contestants entered on either side of the Bay. The council team with the best ton-mile average will be awarded the Mobil sweepstakes trophy.

Cars entered have been weighed in preparation for the event. Inspection teams under the direction of stewards are subjecting every vehicle to rigid safety checks of all critical parts. Each car must be insured to the extent required by California law, even though extra coverage will be provided by sponsors for drivers and observers.

OIL EXPLORATION

It has been estimated that the oil industry will have to spend more than 57 billion dollars in the next ten years just to find new supplies of oil, reports the National Automobile Club.

Double parking on a busy street is dangerous, according to the National Automobile Club. Such parking causes traffic to swerve, and swerving traffic causes serious collisions.

"AROUND the World In 80 Minutes" was theme of these Colma Intermediate School students this week as they strutted before fellow pupils and Hillside PTA in fashions from various countries. Young lady perched on the Spanish sombrero is Linda Collazo. Standing (from left): Pamela Burch, Sherry Brown, Cornelo Candelaria, Yvonne Ford, Carol Sciaroni, Pat Brice.

Crocker School Traffic Patrol Visits Presidio

An all-day outing was enjoyed by the traffic patrol of Crocker School last Saturday. This was Armed Forces Day and the Presidio was decked out to receive guests.

The boys did everything from inspecting the Ajax missile to hearing the 6th Army Band. Special demonstrations and exhibits included underwater welding and cutting by the 561st Engineer Company; the quartermaster packing parachutes; a map-making exhibit by the 30th Engineer Group, and the Pipe Band (with their bagpipes) dressed in full Scotch regalia.

On the way out of the Presidio, the boys stopped at Fort Point to get a look at the old fort which once guarded the Golden Gate. The thick, brick walls of the fort are still standing and the boys walked around the sea wall which is over 100 years old.

The day was topped off by a swim in Fleishhacker Pool.

The Traffic Patrol, under the direction of W. Tergis, vice principal, has been doing a fine safety job at the corners adjacent to Crocker School. Children are instructed to use crosswalks and to cross streets only at the direction of the traffic boys.

Boys who went on the trip were: Greg Prado, Joe Valencia, Russ Moffett, Don Papke, Bob Burns, Chuck Morales, Bob Perry, John Sievert, John Bell, Bob Keith, Harold Colaizzi, Richard Henry, Jim McGowan and Peter Laffranchi.

Tergis was assisted with transportation by Wes Peterson and Gordon Perry.

In 1918 the base pay of Navy nurses was increased to $60.00 per month.

CONVENTION, BOOTHS

Colma Intermediate Students Pick New Officers In 'Adult' Fashion

New officers for the Executive Council of the Associated Student Body of Colma Intermediate School, chosen recently in a general election, are:

President, David Jenkins; Vice President, Cheryl Newman; Secretary, Jayne Monson; Treasurer, Judy Anderson; Commissioner of Student Welfare, Linda Quinteros; Social Affairs, Judy Reginelli; Assembly and Awards, Penny Almquist, and of School Spirit, Lorraine Bottarini.

The general election was held in the school multi-use room with a nearly complete duplication of a regular local, county, state, or national election. The city of Daly City furnished the voting booths, according to Dr. B. W. Gerdes, school principal.

The election was preceded by a spirited campaign by all candidates who previously had won places on the final ballot by having won in the primary election. Candidates for the primary election were chosen in a nominating convention composed of one boy and one girl representative from each class in the school. The chosen nominees were then separated into two parties, the "Boosters" and the "Loyalists." The final event of the campaign was an all-school assembly where all candidates made their appeals personally for votes from students of the school. The assembly featured several demonstrations by loyal supporters of candidates.

Mrs. Eloise Johnson and Mr. Carroll Martindale, seventh grade teachers, were the sponsors of the Boosters' party campaign. Mrs. Eunice Loewke and Mr. Robert LaCava, seventh grade teachers, guided the efforts of the Loyalist party.

Newly elected officers of the student body organization, who will take office in September, 1958, will meet the remainder of the year with present executive officers in the capacity of trainees. The present officers are: President, Ken Adelson; Vice President, Steve Elliott; Secretary, Pat Brice; Treasurer, Carol Sciaroni; Commissioner of Student Welfare, Judy Logan; of Social Affairs, Pamela Greenwood; of Assembly and Awards, Carla Gomez, and of School Spirit, Lorraine Storm. Dr. Lloyd Andrews, vice principal, is the sponsor of the activities of the student body organization.

16-Foot Boat Feature Prize At W'lake Show

Tickets for another big Westlake Shopping Center prize drawing are now available — free — at all stores in Westlake Shopping Center.

Top award will be a Nunes 16-foot sport boat together with an Edwards Torkspring boat trailer. The combination, valued at $850, will be given away on the night of June 6, climaxing a sport-boat and vacation show.

Participants in the drawing will also have an opportunity to win all-expense trips for two people (each) to both Las Vegas and Reno. Winner of the Las Vegas trip will be flown via TWA from San Francisco, arriving in Las Vegas two hours later. Accommodations for three days and two nights have been arranged at the popular El Rancho Vegas, with its spectacular night club and famous-name show. Meals are included on the tours.

Winner of the Reno trips will go on the famous bright light's tour (three days and two nights) sponsored by Harold's Club of Reno. While in Reno, winners will be staying at the beautiful "million dollar" Pony Express Lodge with swimming pool and sun decks. Champagne will be awaiting the guests. Food and cocktails are included. The winner of the Reno trip (due to the discontinuance of the "Bright Lights Tour" during the summer months) must plan to take the trip either prior to June 15, or after September 30.

A fourth award in the big contest will be a Sears 7½ horsepower outboard motor. The drawing will be held promptly at 9:15 on June 6, immediately after the close of the stores. Anyone 18 years of age or over may participate except employees of stores of Westlake Shopping Center.

W'laker Joins Phi Beta Kappa

John Wiesner, 49 Lake Forest drive, Westlake, an engineering physics major, is among some 80 outstanding undergraduate and graduate students from the Bay Area at University of California, Berkeley, who will be initiated into the ranks of Phi Beta Kappa, Alpha of California Chapter, at spring initiation ceremonies, this week in Stephens Union on the campus.

New members of Phi Beta Kappa at Berkeley are drawn mainly from the ranks of seniors who have recently received, or about to receive, the bachelor of arts degree, comprising about six percent of the total number of such degrees awarded.

In addition, the local chapter selects 20 juniors who are candidates for bachelor of arts degrees, a small number from the ranks of bachelor of science seniors, and an even smaller number from doctoral candidates who have compiled outstanding records since receiving their bachelor degrees.

MARCHBANKS PARK

Girl Scouts Practice For Giant Folk Dance Festival Here June 7

Girl Scouts of the Parkview-Sterling Park and Peoria neighborhoods are doing some very serious practicing these days toward the preparation of their Folk Dance Festival on Saturday, June 7, from 10 to 2, at Marchbanks Park.

Thirty Girl Scout troops composed of 300 Brownies, Intermediates, and Seniors will take part in the gay and colorful dances. There will also be group singing. The program will open with the flag ceremony, with girls from the different troops taking part.

Mrs. J. Strong from South San Francisco, a folk dance instructor, has generously offered her services in teaching the group 11 different dances. She is an expert in this type of dancing and last Monday night was at the Woodrow Wilson multi-purpose room coaching children and adult leaders.

Mrs. J. Button, chairman of the event, is ably assited by a committee of: Mrs. C. H. Dignam, records; Mrs. R. Hanley, physical set-up; Mrs. Z. Heneise, clean-up; Mrs. M. Kraus, flag ceremonies and songs; Mrs. J. Nofzinger, hospitality; and Mrs. R. Young, first-aid.

The Folk Dance Festival is admission free and the public is invited. At noon, there will be time to rest and eat a picnic lunch.

Right-Of-Way 'Yielding' Best, Patrol Declares

Be prepared to yield the right-of-way at intersections for utmost safety, says the California Highway Patrol.

"During last year, 18 per cent of all violations noted in fatal and injury traffic accidents in California were charged to driver right-of-way errors," declared Patrol Commissioner B. R. Caldwell. "Right-of-way violations are usually acts of discourtesy.

"A review of sections of the vehicle code concerning right-of-way reveals that the 'yield' is the key to their application," Caldwell stated. "Section 551 requires the driver intending to turn left at an intersection to yield the right-of-way to any vehicle which has approached or is approaching the intersection from the opposite direction and which is so close as to constitute a hazard at anytime during the turning movement.

"Last year in California we averaged 77 injury and fatal intersection accidents per day," he concluded. "Stricter adherence to the 'yield' factors in the right-of-way laws will mean more safety, particularly at intersections."

Packs 245, 248 In Softball Title Showdown Saturday

Westlake Packs 245 and 248 clash this Saturday for the National League title in the West-of-Twin Peaks softball loop.

Pack 245 gained the playoff Saturday by routing St. Gabriel's, 29-0, behind the one-hit hurling of Ken Smith. He fanned 12.

Jerry Lafrano and Bill Radford hit two homers apiece for the winners.

PLYMOUTH SAVES YOU MONEY ON GAS...
MOBILGAS ECONOMY RUN VICTORY PROVES IT!

New "Fuel-Saver" Choke that helped clinch title is standard equipment on all Plymouth V-8s

Pound for pound, *Plymouth uses less gasoline than either of the "other two"* cars in the low-price "3"! This was proved beyond doubt when a 1958 Plymouth V-8 was officially declared winner of the low-price car competition in the 1958 Mobilgas Economy Run. Plymouth's competitors also entered cars with 6-cylinder engines (supposedly more economical) but Plymouth beat every car in its class—V-8s and 6s alike!

This title-winning Plymouth is exactly the same Belvedere V-8 with TorqueFlite Automatic Transmission that you can buy right off your Plymouth dealer's floor.

These tests prove that every Plymouth has *built-in economy features* not found in the "other two". For instance—one of the most important factors in Plymouth's smashing win is the new "Fuel-Saver" Choke that you get at no extra cost on all Plymouth V-8s. This ingenious device employs a triple-stage vacuum piston and a new thermostatic element to reduce the amount of fuel you use in warming up the engine. So it can save you even more on short-distance drives—the kind most people make.

Among the many other savings Plymouth gives you is the $140 you save on standard-equipment Torsion-Aire Ride. The "other two" charge up to that much *extra* for their best suspension systems.

So if you are dollar-conscious, better hustle over and talk terms and trade with your Plymouth dealer. He wants your business, and he'll go all out to get it!

COMPLETE THE CIRCLE OF SAFETY . . . CHECK YOUR CAR, CHECK YOUR DRIVING, CHECK ACCIDENTS

Installations Keen Merced Auxiliary Busy

Lake Merced Auxiliary members held installation of officers recently and attended many other installations in the surrounding area.

Rose Fisher, president for coming year, was installing conductress at four functions helping the installing officer, Jesslyn Walsh, from Tanforan Auxiliary.

Twelfth District meeting was held in South San Francisco, first time in north county in many years. Lake Merced had a second place prize winner in the District's annual essay contest, of which Stella Magoon, past president, was chairman. The winner, Robert Doane, 17 student at Westmoor High, grand nephew to national Past President De Coe, V. F. W.

Winners in the local Essay Contest sponsored by Lake Merced are: Robert Doane; 2nd, Nancy Goldkuhl; and 3rd, Mary Falk; all of Westmoor High. Subject of contest was "Americas' Future Is Up To Youth." Prizes will be presented at a special assembly at Westmoor, graduation week.

Lake Merced Auxiliary also received six other citations for outstanding work in 1957-'58, at the District meeting, as follows; community service, Robbie Holden, chairman; rehabilitation, Hazel Eagleton, chairman; legislative, Meredith Orloff, chairman; youth activities, Agnes Sirianni, chairman; Americanism, Stella Magoon, chairman; ways and means, Edith Solbakken, chairman. Rose Fisher was elected District junior vice president and appointed District hospital chairman.

Next big project is "Poppy Day," May 23 and 24. Money derived from poppie sales is used for hospital work at Palo Alto Veterans hospital.

PROUDEST grandmother in Daly City today is Mrs. Al... Brouse, 32-A Westlake avenue, following May 3 nuptials at St. Anne's Catholic Church for Mary Alice Duryea and Donald James Gilmour. Father Edward J. Maurice officiated. The pair honeymooned in Carmel.

'Bluebirds' In Hillsdale Fete

Northern County Bluebirds join the Campfire girls on Monday, May 26, at Hillsdale High School, starting at 7:30 p.m.

Two troops of Bluebirds from Daly City will "fly up." Mrs. A. Waldvogel's group, known as Little Woodpeckers, includes: Cathy Chaney, Phyllis Fillbach, Josephine Hart, Lenore Hayes, Ellen Kennedy, Charlene Lorenz, Cheryl Minor, Patricia Molino, Georgegenna Santos, Ilene Scott, Marilyn Tofting, Joanne Waldvogel, Jeanette Williams, and Valerie Yule.

Mrs. O. Craig's group, the Happy Little Blue Birds, consists of: Marguerite Craig, Donna Day, Carole Federicks, Mary Ann Mumford, Nancy Peterson, Patricia Plyer, Donna Ricci, and Marie and Margaret Weedan.

Ceremonies will consist of singing around the campfire (with traditional drums being played) and presentation of honors and merits to deserving Campfire girls and leaders, also take place.

The public is invited.

Baby Shower Fetes Antonette Viccari

Mrs. L. Viccari was hostess at a surprise baby shower given recently in South San Francisco for Antonette Viccari, a relative of Mabel Martinelli, 18 West Market street, Daly City.

Attending were: Nancy Hayes, Carrie Molinari, Albina Collins, Katherine Bocci, Lillian Bertucci, Rita Bocci, Rose Bertucci, Min Riccomi, Della Gollehon, Vera Viola, Mary Bignotti, Mabel Canepa, Marie Lagomarsino, Anna Lagomarsino, Marta Martinelli, Mabel Martinelli, Myrtle Kitterbush, Cul Brisolese, Margaret Degliantoni, Molly Gold, Bea Lagomarsino, Margaret Holmsten, Theresa Ferrea, Elsie Bertucci, Linda Bertucci, Georgiana Viola and Cathy Gollegon.

Marie Traynor Honored With 'Testimonial'

A large gathering of well wishers attended a dinner last week honoring Miss Marie Traynor, whose retirement from Jefferson Elementary School in June will terminate many years of service in this community.

The affair, held at Brentwood Lodge was sponsored by the staff of Jefferson School and guests included Supt. and Mrs. H. Z. Weibel, Dr. and Mrs. Vinton Stratton, Dr. David Shapiro, as well as principals and coordinators. Classified employees from the central office staff and many people formerly associated with Miss Traynor were present.

Dr. Henry Hall, who gave a talk in honor of Miss Traynor, was former deputy superintendent of San Mateo County and is now in the education department at University of San Francisco.

Miss Traynor's educational philosophy has built high ideals in the many students who have had the privilege of having her as an educator.

A parody on her retirement was portrayed by the presentation of mortar board and diploma. Accompanying a gift from her associates was a beautiful azalea plant, since one of her many hobbies is gardening.

The gathering ended with songs and "best wishes."

SAYS 'POLICY' NEEDED

Candidate Eskin Tells Supervisors To 'Wake Up' And Fight Freeways

"It's time for the Supervisors of San Mateo County to wake up to the need for establishing a policy against building freeways through existing, developed residential and business communities," San Mateo Planning Commissioner Vera Eskin charged today.

Mrs. Eskin, candidate for County Supervisor in the June 3 primary, said "A freeway through an established community destroys the very entity of that community, creates uncounted hazards, problems and depreciation. First and last it is bad planning.

"Cities such as Daly City, forced to defend their communities and citizens from state-proposed freeways — or other moves that would put up a barrier between neighbor and neighbor, business and business —these cities should and must have sympathetic, helpful county-wide backing at all levels," Mrs. Eskin claimed.

In her work as county planning commissioner and as the representative of the planning commission to the San Mateo County Advisory Council, Mrs. Eskin said she has for years realized the need for "all the supervisors to implement their responsibility toward all parts of the county—no matter what their mileage from the county court house.

"Daly City — and all north county from Brisbane to Pacifica—must not be neglected and forgotten at the county seat," Mrs. Eskin insisted. "They are a productive and paying concern to the county and deserve every fair, equitable and constant right consideration from the entire board of supervisors."

Mrs. Eskin admonished, "Supervisors should be put in office—and kept in office—only if their concern is for the entire county, not just for their own purposes and interests.

"This goes for incumbents and candidates alike," she added.

"A practical knowledge of county government and planning should be a prerequisite to the job of supervisor," Mrs. Eskin emphasized. "Every time a candidate with no background in or grasp of the entire county and its complex problems is elected, it costs the taxpayers money, delays on problems and errors in decisions.

"It's just like hiring an inexperienced apprentice—and then paying him the same wages as a journeyman who has been on the job for years," Mrs. Eskin said.

"Another area in community betterment in which county supervisors could constantly advance the welfare of cities—and unincorporated districts, alike—is the field of urban renewal.

"When and where cooperation or assistance is asked, supervisors could respond with advisory and staff help in expediting renewal projects," Mrs. Eskin said.

"And let us all remember—supervisors, candidates for the job and voters—that the Lombardi report pointed out many instances in which county government itself must take the deciding and corrective step in renewal and redevelopment."

VILLAGE NURSERY SLATES EIGHTH ANNUAL DANCE

Village Cooperative Nursery School in Colma will hold its eighth annual dance at 8:30, Saturday night, June 7, in Westlake Auditorium. Proceeds of this fund-raising event will be used to buy equipment and supplies for the school.

The dance committee, chaired by Mrs. Al Nadler and Mrs. Victor Nobles, has chosen an oriental theme for decorations. Paul Law's orchestra will provide the music. Mrs. James Torrigino, PL 5-9020, is ticket chairman.

Village Co-op is a non-profit, non-sectarian organization, sponsored by the Adult Education Department of the Jefferson Union High School District. In the nursery school and the evening classes parents seek to gain more understanding of preschool children and to develop better methods of handling them. Applications are being accepted for the fall semester by Mrs. Arthur Pennebaker, JU 9-0735.

Mother-Daughter 'Pink Party' Ends

Westlake's second night of its "Mother-Daughter" Pink Party was held Monday evening in the Westmoor High School cafeteria.

Brownie and Intermediate Girl Scout units participated.

Mrs. Dorritt Hurt, neighborhood chairman was in charge.

Snell PTA Sets 'Movie Matinee' For Youngsters

"Movie Matinee" is another added summer recreational project for children in this area, originated by the James L. Snell PTA, in cooperation with the Serra Theater.

Matinees will be held each Wednesday afternoon from 1 to 3 p.m., beginning on June 18, and continuing through September 3. Season tickets priced at $1.25 for 12 shows are being sold and single admission will be 30 cents for each show.

Mrs. Clifford Warner, 1067 Gilman drive, is chairman of this new venture and states, "Two PTA mothers will attend each show to help supervise the youngsters, plus the regular Serra theater personnel."

The motion pictures, selected for showing by a group of Snell PTA members, will be seen in the following sequence: "Mark of the Gorilla," with Johnny Weissmuller as Jungle Jim; "Crosswind," with John Payne; "Comanche," with Dana Andrews; "Quincannon, Frontier Scout," Tony Martin; "Heidi and Peter," Elisbeth Sigmund; "Challenge of the Wild," George and Sheila Graham; "Cannibal Attack," Johnny Weissmuller as Jungle Jim; "Flight to Mars," Cameron Mitchell; "Abbot and Costello Meet the Keystone Cops"; "Great Mike," Stu Erwin; "Ma and Pa Kettle on Old MacDonald's Farm," Marjorie Main, and "Pirates of Tripoli," Paul Heinreid.

Jeannette Navarra Essay Winner At Jeff Elementary

Jeannette Navarra, Jefferson Elementary sixth grade student in Mrs. Ross' class, won second place in the recent essay contest, "The American Flag," sponsored by American Legion Auxiliary.

Over 1000 essays were turned in from six participating schools. The award was presented by Miss Marie Traynor, principal of Jefferson School, at an outdoor assembly of students and faculty.

Mrs. B. J. Christman, representing the Legion Auxiliary, was contest chairman.

Harold Clifford Woodrow Wilson's Essay Champion

Harold Clifford of Woodrow Wilson School was "pleasantly surprised" when he received second place award in the recent American Legion Essay Contest.

Mrs. Nickolas Chauses made the announcement while many parents were enjoying folk-dancing at the school.

Harold is a student in Miss Patrice Olsen's fifth grade. Each year students of the fourth, fifth and sixth grades in the district write essays on a subject selected by the Legion.

As a result of winning this award, Harold's essay will be entered in State finals.

First Baptist Teenagers Bus To See Graham

Teenagers of First Baptist Church of Daly City are going in a special bus to the Billy Graham Crusade this Thursday. It is "Youth Night" at the Cow Palace.

Loretta Durham and George Beutler are in charge of reservations in the Hillside area and Sherry Morehouse in the northern part of Daly City.

The bus will leave the pastor's house, 542 Lisbon street, at 6:30 p.m. For information call PL 5-6905.

Vista Grande's King & Queen Top Festival

"King" John Kirby and "Queen" Cynthia Baker reigned over Vista Grande School's Spring Festival last week.

District Supt. Henry Weibel crowned the royal pair. Crown bearers were Laurie Carlson and Barry Fellman. The attendants (royal courts) consisted of Patricia Frasu, Sharon Hara, Martine Jubeault, Cheryl Hjelle, Stephen Kirby, Darryl Snow, Gary Webber and James Tarantino. Cathy Galleghan and Michael Frasu were "emcees" at the mike.

Hostesses were Vivian Bradley and Sirena Villareal.

The program featured: Chimes of Dunkirk, by Mrs. Hoskins' kindergarten classes; Shoemaker dance, first graders of Mrs. Colwell and Miss Cahill; Gustaf's Skoal, second graders of Mrs. Cherry and Mrs. Wood; La Rapsa, Mrs. Wright's third grade; Virginia Reel, Mrs. Schneiders fourth grade, and Maypole Dance, the first graders again.

Bethel Lutheran Marks Pentecost With 2 Services

The Festival of Pentecost will be observed this Sunday at Bethel Lutheran Church, Alemany boulevard and Huron avenue.

This occasion commemorates the anniversary of the birthday of the Christian Church. Two services will be conducted, first at 8 a.m., and the other at 10:45 a.m. At the second service, new members will be received by the Sacrament of Holy Baptism, by the Rite of Confirmation, and also by transfer or renewal of membership in the Lutheran Church. The Rev. Herbert P. Schroeder will preach at both services on the subject: "A Church Equal To This Hour."

Sunday School for all ages is conducted at 9:30 a.m. The Adult Bible Class meets at the same hour. Everyone is welcome.

MRS. ADAMS HOSTS COLMA PTA LADIES

Mrs. Robert Adams, new president of Colma PTA, hosted the Sewing and Sunshine Club last week at her home, 56 Mateo avenue.

Assisting her was Mrs. Ray Monson. Attending were, the Mesdames: Marie Toole, Edward Dennis, Mervin Nofziger, Gino Marchetti and George Bertucci.

Last Thursday, Mrs. Adams and her vice president, Mrs. Angelo Martinelli, attended the 17th District's "School Of Information" in Burlingame.

This Thursday, Colma PTA ladies will meet at Mrs. Monson's home to discuss plans for a farewell tea, honoring Miss Marie Traynor, retiring Jefferson School principal. The tea is set for Friday afternoon, June 6. For more information call PL 5-9153.

Next regular Colma PTA meeting is June 4.

Loan Company's Contest Awards Two DC Seniors

Two seniors from Daly City high schools today received outstanding student awards in the program sponsored statewide by the California Savings and Loan League and locally by Systematic Savings and Loan Association.

Winners of the cash awards were Gladys Grassini and Nancy Louise Goldkuhl. The awards, along with a bronze engraved plaque to each student, will be presented by Systematic Savings and Loan.

The state-wide $40,000 student award program was initiated this school year by the California Savings and Loan League, state-wide organization, to offer financial inducements, encourage students to achieve high scholastic standings, and participate in extra-curricular activities which help develop leadership. The plan gives recognition to an outstanding senior in approximately 300 of California's public high schools.

The two local students will be eligible to participate in an essay contest to be held May 24. The five winners of this competition will share an additional $5,000 in scholarships, and the five schools represented will each receive a permanent trophy bearing the name of the winner.

According to David B. Sweeney, president of Systematic Savings, the savings and loan business feels that, by adding to available funds for higher educational purposes, additional young men and women will be able to enter and continue in the college, university, or junior college of their choice.

Letters To The Editor

Educator Rips School Trustees

Dear Editor:

The current elementary school board has refused to permit the formation of an evaluation committee which could clarify the issues involving the unfortunate dismissal of the superintendent of schools. This lack of democratic spirit constitutes a gross miscarriage of justice! It refutes the unique purpose of the school board—that of keeping the community informed! It is unfair to parents, teacher, and especially it affects the welfare of our children.

Only a change in the personnel of the school board will permit the formation of such a board of review.

Westmoor Play Is Postponed 'Til Next Fall

Plagued by illnesses and absenteeism, the Westmoor High School cast of "Night Must Fall' gave up the ghost with the decision to produce the murder mystery next fall when senior activities will all be in the past. Hard work on the part of interested participants could not overcome the competition of other demands on their time near the close of the year.

Plans are already afoot to do the play early in the fall of the next school year.

A program of one-act plays will be presented by the Westmoor High thespians, primarily as a training and experience project for the longer, more difficult and demanding plays. The graduating seniors will be sorely missed, but other interested students are eager to take their place.

An earlier production of "What A Life" got the newly organized group off to a flying start this year, and served to bring many student-actors into the club's roster. Membership is open to any student interested in acting or working backstage with plays.

W'lake Scouts Await Ancient Mariner Regatta

Over 1200 Sea Scouts from 23 Boy Scouts Councils in California and Utah will participate in the Sixth Annual Ancient Mariner Regatta at the U.S. Coast Guard Base, Government Island, Alameda, on May 30-31 and June 1.

The three-day invitational meet is designed to promote and advance the principles of Sea Scouting through participation in a series of competitive nautical skills and events that are part of the Sea Explorer program for young men between the ages of 14 and 17.

All Sea Scouts, will, individually, pass uniform, boat and barracks inspections before dividing into teams for various events which include a written quiz on Rules of the Road, knowledge of boats and anchors, knot tying, drill, heaving the line and ring buoy tossing.

Ships may enter teams in one or more optional events which include a pulling boat race, flotilla drill, hoisting the scuttlebutt, rope climbing, first aid, bosun's chair and semaphore.

Participation, class and place awards will be presented on Sunday, June 1, at 9:30 a.m., to the Sea Scout Ships that excel in the competitive events. The Belmont Trophy, a perpetual award, will be given to the San Francisco Bay Ship that makes the higest total score in the flotilla drill and pulling boat race events.

Entries from San Francisco Scout Council include Lake Merced Ship 248, "Albatross,"

Karen Moresco Festival Queen At Jefferson Hi

By Ann Gray

The annual May Day Festival was held at Jefferson School. Queen Karen Moresco and her princesses presided over the festivities.

The princesses representing each class were: Patricia Navarro, Sue Ann Young, Joan Esbensen, Janis Willey, Madelyn Martinelli, Linda Moresco, Ellen Simonini, Susan Gordon and Peggy Badran. Douglas Casentini was crown bearer.

The student body held a processional in honor of the queen and her court. This was followed by choral and orchestra selections by the glee club and the school orchestra. The primary grade took part in the May Pole dance, and five other classes presented folk dances. There were accordion solos by Carl Duff and Diana Puccini.

The queen and her court ended the festivities with the recessional.

In connection with the May Day program, Mrs. Helen Adams, Colma PTA president and her group of room mothers prepared hot dogs, orange drinks and ice cream cups, orders for which had been placed by students earlier in the week. Mrs. Dennis and Mrs. Monson set up an apron bar, where colorful aprons made by the members of the Sewing and Sunshine Club were on sale.

This combined operation of festival and luncheon came to a close when the students responded to the ringing of the bell that announced the resuming of classes.

In April 1947 the Army-Navy Nurses Act created and established the Nurse Corps as a permanent staff corps of the U. S. Navy.

Trained nurses were employed on a contract basis to meet the nursing needs in certain naval facilities during the Spanish-American War.

Luncheon Fetes Mrs. Fred Smith, Outgoing Snell PTA President

Fond memories and sad farewells were exchanged by James L. Snell PTA executive board members at a luncheon given for their retiring president, Mrs. Fred Smith, at Brentwood Lodge last Thursday.

Mrs. Smith is not only retiring from her PTA office, but is leaving Westlake to join her husband in New York City, where he recently accepted the position of assistant national sales manager for the CanCo Division of American Can Company. She has been an active PTA member for the four years that she has resided here, a leader for Brownie Troop 219 for two years, and has been chairman of the Choir Mothers Guild and Sunday School teacher for five years at the College City - Lakeside Presbyterian Church. The Smiths' two children, Ricky and Barbara Ann, will leave with their mother the first week of June to reside in Westchester County, Long Island.

In appreciation of her leadership, executive board members presented Mrs. Smith with a gold charm bracelet with charms representing the highlights of her year as president. Mrs. Walter Erickson and Mrs. Dwight Magnusson bestowed the gift with an accompanying verse. Other members present were, the Mmes: E. (Rocky) Hagerman, Michael Orlich, LeRoy Larson, Robert St. Clair, Roy C. Rosendahl, Edward Morgan, Harry Aronson, Kenneth Gillespie, Harry Puddy, Mason Eastman, Philip Glebow, Clifford Warner, and Fred Schweickhardt, principal of Benjamin Franklin school and parliamentarian for the PTA unit. Honorary vice presidents in attendance were Miss Marjorie Tobias, principal of Vista Mar and Olympia schools, and Miss Aileen Suber, principal of Garden Village School.

Measles Slice KIPstar Ranks ...Temporarily

Epidemic-like measles recently felled four more young Daly City KIP performers and their drama coach, Miss Donna Tillson.

Kay Irvine, the youth organization director, says Miss Tillson and her "sick bay" companions—Kathy Sallade, Katie Porter, Santa Fernandez and Earlee Hethcoat—have recovered.

KIP stars last week entertained Letterman Hospital patients.

Leota Swager, talent supervisor, had to quit KIP because she didn't have enough time for the evening-hour activities.

New adult volunteers include Mrs. Melba Braman, Mrs. Cora Chroninger, and Mrs. Drummond, whose daughter, Janet has joined the KIP dancing cast.

Articles of incorporation for KIP are being drafted by Richard Liberty, clerk of the municipal court, South San Francisco. His son, Christopher, is with KIP as an acrobat.

KIP exec board met recently at the Winston Manor home of Mrs. Garbe. Mrs. Irvine and hubby Jack have moved to Manorville, but it won't affect their KIP duties, they say.

The Blue Jacks, KIP combo, played for a teenage dance Saturday at El Rancho School, Winston Manor.

Bayshore Trustees

Bayshore incumbents Pearl Butler and Marcia Datzman were unopposed for re-election to the school board Tuesday. Mrs. Butler was accorded a token vote of 100, Mrs. Datzman got 98. Write-ins C. Higgins and E. Hanschman got one vote each.

Two Prominent Demo Leaders Back Francis

Two San Mateo County Democratic leaders today announced they are heading a district-wide Democrats - for - Assemblymen-Francis Committee —Judge Joseph V. Gaffey of Burlingame and Dr. John C. McGovern of South San Francisco.

"We Democrats are only interested in electing the man who is most qualified and who has the experience and the moral backbone to uphold the rights and needs of northern San Mateo County in the state legislature. Assemblyman Francis' top record in the state legislature and his life-long residence in the Bay Area make him the only logical candidate Democrats can rely upon to represent the needs of our district.

"His able, decisive and conscientious efforts as our Assemblyman for the 25th District has affirmed our decision to support him in the primary election. We urge all Democrats to honestly investigate the records of civic endeavor and experience of Assemblyman Francis and his opponent. We are certain that the majority of Democrats will come to the same conclusion that we and the Democratic Committee for Francis have arrived at—we need to return Assemblyman Louis Francis to Sacramento for the good of San Mateo County." This was the joint statement released today by Judge Gaffey and Dr. McGovern.

Judge Gaffey, former Burlingame judge and Burlingame postmaster, is an old and respected Democratic leader of San Mateo County. Dr. McGovern, former San Mateo County Democratic Central Committeeman, is a former county coroner and was a councilman in South San Francisco for 16 years.

Clerks Union Backs Becker For Judgeship

Retail Clerks Union of San Mateo County, Local 775, today announced its exclusive indorsement of Charles Becker for municipal judge in the Northern Judicial District.

The organization's statement, released to the press by Carl E. Cohenhour, secretary, said:

"In an executive board meeting the Retail Clerks Union of San Mateo County unanimously endorsed Charles Becker as candidate for municipal judge in the June 3 primary election."

Becker, 42, a practicing attorney for 17 years, formerly served as city judge of Colma prior to the state-wide court reorganization of 1953.

Father of three children, Becker and his wife, Norma, have lived the past nine years at 5 Fieldcrest drive, Daly City. His achievements in the district have earned him the respect of civic, clergical and fraternal leaders throughout the area.

Local Missile Sites To Get New 'Hercules'

Conversion of six of the U. S. Army's Air Defense Missile sites in the San Francisco-Travis area to accomodate the bigger, faster and more maneuverable Nike Hercules Missile will commence in the near future.

The six sites to undergo modifications, at an estimated total cost of about two and one half million dollars, are located at Fort Barry and San Rafael in Marin County, Sharp Park, Lake Chabot, and Travis Air Force Base. Later, additional sites will be converted to Nike Hercules. In general, the project will not require acquisition of additional real estate to the existing Nike Ajax sites.

The Hercules will replace the Nike Ajax, which is presently on site, only in part, with the veteran Ajax remaining as a complement to the new missile.

Announcement of the changes were made by Col. John S. Harnett, District Engineer, San Francisco District, Army Corps of Engineers, and Col. Albert E. McCollam, Sacramento District Engineers, who disclosed that their officers had received word to proceed with completions of designs and awarding of contracts for modification by June.

'Festival' Pair Cite Newspaper

Dear Mr. Bradshaw,

On behalf of the Westlake Festival committee, we would like to express our sincere thanks for all the help you have given us with our festival, held May 1 through 4 at Our Lady of Mercy Parish. We know that part of the success of the four-day event was due to the wonderful coverage you so kindly gave us. Marchbanks Publications are read by a vast number of people, and we feel that a great majority of these people attended the festival.

Please accept our deepest gratitude for the manner in which we were received. Everyone was very pleasant and cooperative and we enjoyed working with you. Thank you for the support which you gave to all our pre-festival events, which began in September of 1957. The festival was a tremendous success. Thank-you, again.

Sincerely,

Mrs. Stanley Fenton

Francis Chairmans Local Hearings On 'Bad Literature'

Assemblyman Louis Francis of San Mateo, chairman of an interim subcommittee of the assembly judiciary committee on pornographic literature, will be in charge of hearings in San Francisco this Wednesday and Thursday on the problem of sex and 'girlie" magazine getting into the hands of teenagers.

Francis says it appears there is a multi-million dollar business in this kind of literature in California. "It has been estimated that about 75 per cent of the 15 to 20 million issues of these magazines each month fall into the hands of teenagers," the assemblyman stated. He added:

"We are very much concerned with the potential dangerous impact of the magazines and California's pornographic laws have been criticized as antiquated and difficult to enforce."

Something For Everyone

By Samuel Chandler
Daly City Librarian

It is fashionable in some circles to picture a public library as the brother of a museum, the first cousin of a mausoleum. Let me assure you that there is no such institution in Daly City. Both branches of the public library are active places and nothing in them is dead.

The books therein have been purchased because of the antimation they impart or because of the information they contain, or for both reasons. Although an examination of any section of the library will prove this to be true, it can be amply illustrated by looking at the adult sections of both libraries.

Here one finds Sunset's Western Garden Book. What a wonderful volume this is. It is filled with downright vital information and plenty of illustration; both photographs and line drawings. The chapters are divided into five sections: "How to grow Plants," How to Use Plants," Western Garden Specialties," "Home Food Garden," and "Indoor Gardening."

Then there is Anita Colby's Beauty Book which purports to be the most complete handbook of beauty, glamour, personality, and charm ever published. Anita Colby's business, you know, is to groom aspiring young actresses for stardom; so her first chapter is 'Lets Make a Star out of You." Some of the other chapters are entitled: "Food for Beauty," "Be a Good Hostess," "Be a Good Guest." The last is "Be a Good Girl."

Another book in this section that is calculated to capture your interest is The Story of the Declaration of Independence. This vital volume, written and illustrated with simplicity and beauty, contains a pictoral biography of our first affirmation of liberty in America. And just think there is a history book that has 282 pages that are illustrated with 267 pictures. How much more interesting history would be if it were taught from books like this.

Still another in the oversize section is Zane Grey's huge collection of fishing stories, Freshwater Fishing. Let me tell you, reading this book is "darn near" as much fun as going fishing.

Space will not permit a review of many, many others in this section. Let me mention some others, however. Introduction to Western Birds by L. Paca, New Mexico Village Arts by Dickey, Footprints of Assurance by Bulau, Engineering Drawing and Geometry by Hoelscher, The New Yorker Albums, Goodhousekeeping's Cookbook by Oscar Lewis, Toulouse-Lautrec's Drawings and Sketches in Color.

There are many more. As I have said, the books in the Daly City public libraries are there because they are timely and interesting. They were acquired because they seemed to fit the interests of the residents of Daly City, and they are meant to be used and used until they fall apart from old age.

Jefferson's Moseley Is Industrial Arts Association Officer

Industrial Arts teachers of San Mateo County gained official recognition yesterday as they elected pro tempeo officers in the recently formed San Mateo County Industrial Arts Teacher's Association

William Blair, department head, Industrial Arts, of Las Lomitas School District, was elected president, with Carl Legas of Capuchino High as vice president, and Durant Moseley of Jefferson High as secretary - treasurer. Blair, a San Francisco State College graduate, is an active member of the California Industrial Education Association and Epsilon Phi Tau, Industrial Arts Honor Society.

The need for better correlation of activities and communication between the various industrial arts departments was apparent to educators assembled in this association. Among the purposes of the organization are continuance of professional growth, enrichment of content in industrial arts curriculum and further development of the spirit of close fellowship between members.

There are some 340 auxiliaries of the City of Hope from Coast to Coast. They join other civic and social groups in raising funds to help support the free medical center.

1958 is the 45th year in which the City of Hope has been available, free of charge, to sufferers of the catastrophic diseases.

The Gila Cliff Dwellings National Monument in New Mexico was established in 1907 to preserve five prehistoric Indian communities built of stone and adobe in natural caves.

Many years ago, bathhouses stood at the edge of San Francisco Bay in the area now known as "North Beach," the city's Latin Quarter.

'Kampus Kapers' Rousing Play At SF State

San Francisco State College will conclude its '58 Theater season with its original, two—act musical variety show, Titled "Kampus Kapers," presented in the main auditorium, 19th & Holloway avenues. May 22, 23 and 24. Curtain is 8:30 p.m.

With close collaboration of faculty advisors and student directors, a fast-moving musical variety show has been developed, consisting of 25 musical numbers, skits, satire, etc.

A special attraction is a motion-picture sequence "The Cavalcade of Films"—this student acted-directed-produced movie will depict the history of movie-making from the earliest silent pictures to the newest wonder Cinerama and a step further to 4-D. A hugh cinemascope screen was constructed and mounted on stage to present this highlight. Sequences of the film were shot at Sutro Park, on the Pacific Ocean, at Playland, and roof of the Creative Arts Building. The main stage was temporarily converted into a large soundstage during the shooting.

Kapers" of '58, in traditional stage college spirit, is the biggest and most entertaining show in the history of the college. Reservations can be made by phoning JU 6-3536.

Tax Freedom 'Holiday' Date Told By Expert

May 13—Tax Freedom Holiday—was the first day of tax freedom for the "average taxpayer" across the nation, T. S. Burnett, of Los Angeles, president of California Taxpayers' association, said today.

Up to May 13 everything the "average taxpayer" in the U. S. earned just about covered his tax bill—federal, state, and local—for this year.

On May 13, the "average taxpayer" across the United States can start to save, or invest, or spend his own earnings, Burnett said.

For the people of San Mateo county, this year's tax burden reaches at least $300,903,000. Of this, about $199,857,000 is for the federal government, about $52,580,000 for the state, and $48,465,600 for the property taxes levied by the local governments in the county—the school districts, cities, special districts, and county government itself.

Total tax take by all the States is somewhere between $115 billion and $125 billion—about 36 per cent of the personal income of the American people, Burnett said.

"If the people want lower taxes—if they want National Tax Freedom Holiday to be celebrated earlier in 1959—now is the time to get behind the drive for reductions in the federal budget and to take up economy drives in their local communities — their counties, cities, school districts, and special districts," commented Burnett.

"Taxpayer slogan this budget season could well be, 'I'll take less from government—if government will take less from me," Burnett declared.

VERN WALIGORA IN BIG MARINE COMBAT EXERCISE

Pfc. Vern S. Waligora, son of Mr. and Mrs. Stanley Waligora, of 145 San Diego avenue, Daly City, took part in the 1st Marine Division's "Operation Dry-beach," a full-scale air-ground exercise held last month at Camp Pendleton, California.

The reservation was assumed to be a segment of a friendly nation that had been occupied by enemy forces.

The aggressor forces did not follow a script of pre-determined troop movement, thereby affording a more realistic challenge to the attacking elements.

All division units, as well as the 3rd Marine Air Wing from El Toro, California, took part in the maneuver. Both friendly and enemy forces theoretically possessed atomic weapons.

PANEL FOR PTA

6 Jeff High Seniors Discuss Bomb Tests

By Servart Ojakian

Final meeting of Jefferson High School PTA Thursday evening was brought to a climatic close with six senior student panelists discussing the "pros" and "cons" of the abandonment of atomic bomb tests.

John Mongan, Jefferson High principal and moderator for the evening, introduced the six seniors, Sue Champion, Gail Duncan, Laura Robison, Ed Davis, Ray Wille, and Robert Wood, and opened the panel discussion by asking about their feelings on recent bomb tests and the agitation toward banning them.

All six panelists were of the common opinion that international understanding could do a great deal in easing tensions among the people of the world and in bringing about some semblance of peace.

Here are some of the highlights of the discussion.

Sue Champion: "Russia or U. S. must accept second place and not just be vieing for superiority. Bomb tests are doing us much harm from their fallout. Russia did right in proposing an end to the tests, even though it was a propaganda device."

Laura Robison: "It's a good idea to put a ban on atomic bombing."

Gail Duncan: "Christian philosophy is to love and accept. Why can't we be sincere and say we will stop the bomb tests. Nations should come to an understanding through discussions."

Ed Davis: "Education just for science would lead to stagnation. No nation should feel that it should be first."

Ray Wille: "There are two reasons for the tests—find out possible damage and thus find a defense against it, and second, to find a clean bomb for the protection of our own citizens in the event a bomb must be used."

Robert Wood: "War is not inevitable. One must not consider nations inferior or superior. Energies should be diverted from the development of weapons to actually working with the governments themselves. The realistic thing is to see to it that war be avoided at all cost."

Such were the thoughts that confronted six senior students, representatives of the whole senior class, who will a few weeks hence go out into the world on their own, either to work or to carry further their acquisition of greater knowledge and better understanding.

Grease Can Clog Drain Pipes -- Correction Easy

If you wonder why, after years of faithful service your sink suddenly begins to gurgle and emit unpleasant odors, the chances are that grease is clogging your drain pipes, says John Boudreau, member of the executive committee of the Plumbing Industry of San Mateo County.

Correction of this costly nuisance is easily done with a grease interceptor. This compact basin usually made of cast iron goes underneath your sink, or, if there's no room for it there, down in the basement. It's easy to take care of, reasonably in price and quiet in operation. Modern units remove over 90 percent of the grease from the sink waste.

The only work involved is a periodic removal of the top and skimming off of the accumulated grease into an old newspaper or paper bag. There are no mechanical or moving arts to break down and thus maintenance is practically eliminated.

Grease interceptors contain baffles and channels to create turbulence which forces the grease to the top and prevents it from going any further and clogging the waste lines. Grease-free water, still carrying its other wastes, flows across the bottom and out into the waste piping.

A grease interceptor does its job just as well in an old house as in a new one. If the drain line is already clogged, it should be thoroughly reamed out or even replaced when the interceptor is installed. An experienced, registered plumbing contractor will know which treatment is best after he checks the system.

Grease interceptors are needed whenever harmful amounts of grease are discharged into a plumbing waste system, which means virtually every home. They should be installed to handle both kitchen sink wastes and also at the automatic dishwasher if it drains into a different plumbing slack. If, however, they are connected to the same drain line, one interceptor will do the job.

PLUMBING INDUSTRY ADOPTS SLOGAN FOR MAY -- 'RENEW THE HEART OF YOUR HOME'

"Renew the heart of your home!" is the slogan adopted by the Plumbing Industry of San Mateo County for the month of May, which is slated as Plumbing, Heating and Cooling Month throughout the nation.

Herbert H. Lauder, president of The Associated Plumbing Contractors of San Mateo county and also president of the Joint Plumbing Industry of the county, which includes Plumbing and Steamfitters Local 467, today said that proclamations by every mayor of San Mateo county will bring the importance of this observance to every citizen. In addition Alvin S. Hatch, chairman of the San Mateo county board of supervisors, joined with the mayors in their proclamation urging modernized kitchens and bathrooms as important to the comfort and health of every family. Governor Goodwin S. Knight has issued a statewide proclamation also.

Check-ups on plumbing and heating can be secured during May by calling your registered local plumbing contractor, Lauder said.

A San Mateo county survey indicates that more than half the homes . . . 54 percent . . . are in desperate need of modernized plumbing facilities and central heating plants, Lauder said.

"Not only will this effort on the part of the plumbing industry help to increase the value of each home but it will comply with President Eisenhower's appeal to the nation to buy and do the things now that are needed to keep the wheels of industry turning and maintain a balanced prosperity for all," Lauder declared.

FINALE WITH HILLSDALE

INDIANS SEEK RUNNERUP SPOT; CAPUCHINO COPS CHAMPIONSHIP

By Roy Hurlbert

Gary Ryan's no-hit, 5-1 pitching win over Westmoor here Tuesday virtually wrapped up second place for Jeff varsity Indians in the Peninsula League race.

The Indians decide the runnerup spot this Friday afternoon, meeting Hillsdale, and Westmoor hopes to elude the cellar against San Mateo.

Capuchino cinched the title Friday with a win over Hillsdale as Jeff and Paul Tapia lost to South City there, 2-1. Cap won its 11th without a setback Tuesday, bumping San Mateo, 4-0.

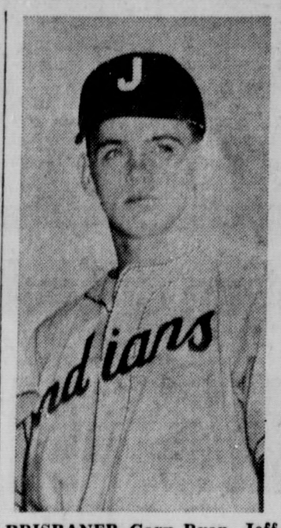
Ryan, in notching his second hill win, gave Jeff an 8-3 mark. He whiffed seven Rams and walked three. Ray West gave the Tribe nine hits.

Steve Mezzera's Indians in loop play lost twice to Cap and the 2-1 affair to South City. Westmoor's two wins came over South City.

Idle last Friday, the Rams impressed as they knocked off the Catholic League champion, powerful Riordan, 2-1, here behind soph Bob Goodwin.

Coach Rod Losberger's Westmoorans played their best in that one against Riordan's regulars. The past three weeks, Losberger's club has improved greatly as a sophomore-laden squad.

Jeff has possibly five all-loop nominees, headed by Ryan and catcher Jerry Kennedy. Westmoor backstop Tom McHugh, among the top stickers, should figure in the scribes' balloting.



BRISBANER Gary Ryan, Jeff High senior, tossed a seven-inning no-hitter for Jefferson over Westmoor here Tuesday. It was the All-League-bound outfielder's second win in as many mound starts. Gary this week ends his outstanding sports career when his mates meet Hillsdale. THE RECORD photo

Jeff 880 Relay Unit Wins N-Coast Trial

Jeff High tracksters return to Sunnyvale this Friday for the North Coast Section finals, following their qualifying bid last week in the trials on the same oval.

Coach Bob Watt's 880 relay unit (Doug Burch, Pete Garcia, Len Lamendola and Sonny Martinez) finished first in the trials, blazing the distance against the best in Northern Cal in 1:31:7. Earlier in the day, the Indian quartet broke a trials' record in 1:30:7, same event.

Don Snider of Jeff finished fifth in the mile and Dennis Marc high-jumped for third with a 5-10 leap. Watt's contingent finished ninth in team standings with 11 points. Menlo-Atherton won both the varsity and B division crowns.

State finals are May 31 at Long Beach.

Trout 'Planting' Areas Revealed

This week the following coastal county streams and lakes are scheduled to be restocked with catchable-sized trout by the Department of Fish and Game. Anglers are reminded that this list is tentative and subject to change, depending on water and road conditions and other factors:

Alameda County, Alameda creek; Monterey County, Big Sur, Carmel rivers; San Francisco county, Lake Merced impoundment; San Luis Obispo County, Arroyo Grande, Lopez, San Simeon creeks; Reservoir Canyon lake; San Mateo County, Gazos, Pescadero creeks; Higgins Creek reservoir; Upper Bean Hollow lake; Santa Clara County, Stevens Creek; Santa Cruz County, Corralitos, San Vicente, Soquel creeks.

PAL Wants Players

Boys 12 to 16 who'd like to play summer baseball on the Police Athletic League team are asked to call John Coleman or other police officers at the station, PL 5-0850. The PAL will sponsor two teams this summer, one for competition in a Peninsula League.

COACH Bob Watt, youthful Jeff High track coach out of San Francisco State, discusses Friday's North Coast Section finals at Sunnyvale with his sprint specialist, Sonny Martinez, anchor man on the powerful Indian 880 relay team. Martinez and mates last week qualified for the finals, and if successful this Friday, they could go to the state prep championships in Southern California. THE RECORD photo

B BOYS BLAZE

Westmoor Thinclads Take 2nd In Trials

Westmoor High's B division track squad finished second to champion Menlo-Atherton last Friday in the North Coast Section trials at Sunnyvale.

Led by sizzling Dave Dunbar's first in the 660-yard run, the Ram B's finished with 21 points to Menlo-A's 42. Dunbar's time was 1:25.1.

Rich Burnham tied a North Coast record in the high hurdle trials, clocked in 13.7. Later he took third in the high sticks and second in the lows.

Lanny Bucceli ran a 3:24 1320 (his best) for fourth place, and Rich Mollison heaved the 8 lb. shot 54-7½ for third place.

The Daly City squad's only points in the varsity bracket (also won by M-A) came on Bruce Ryner's third place in the 880.

This Friday, the five Westmoor qualifiers go in the North Coast finals. On May 28, Ribera will escort his top boys to the Hollister Relays, followed by a trip to the Modesto Relays that weekend. The Rams' best bid will be the relay unit of Mike Joseph, Dunbar, Jed Cyr and Ryner.

Summer Swim Campaign Set For Jeff Pool

Jefferson Union High School District announces dates of its Summer Swim Campaign, sponsored jointly by the district and the San Mateo County Chapter of American Red Cross.

Instruction will be given at the Jefferson High Pool, Daly City. The courses commence June 16 and will run through August 22. There will be five campaigns, each campaign running 10 days, and each class one-half hour long. Instructions will be given from 8:30 a.m. to 1 p.m.

These classes will be taught by accredited Red Cross instructors, and are available to non-swimmers, beginners, intermediates and full-fledged swimmers.

Registration blanks have been distributed to all elementary schools and must be properly filled in and returned in person with a fee of $2.50 to Jefferson High School in care of "Michael Orlich." Registration hours will be every evening from 7 p.m. until 9 p.m., and Saturday from 2:30 p.m. until 4 p.m.

Orlich, athletic director at Jefferson, in charge of the Red Cross Swim Campaign, said: "This summer's swim campaign is designed to train youngsters in the rudiments of swimming and water safety. Many drownings are the result of ignorance or carelessness. Red Cross water safety training combats both of these major causes of catastrophe. We urge everyone who cannot swim to avail himself of the opportunity offered by the high school district and the Red Cross."

Al Figone Leads Wyoming Squad

Al Figone, Daly City product of Jeff High, is leading the University of Wyoming varsity baseball team at the place with a .384 average.

The husky junior plays the outfield and catches for the Cowpokes. Wyoming and Colorado State University are battling for the league title.

CROCKER KIDS WATCH SOLAR BATTERY WORK

What happens when it rains?" "How much does that battery cost?" "What happens if it's a cloudy day?"

Children at Crocker School were watching a Bell Telephone demonstration of a solar battery. Fog hid the sun but the demonstrator held the thin wafers of silica under a lamp. The power thus generated ran a telephone and turned a small motor. Only trouble with the demonstration was that there wasn't time enough to answer all the questions of the fifth and sixth graders.

Only a week ago Crocker children had seen "Our Mr. Sun," a picture by Bell Telephone, in which it was stated that a car received enough sunlight on its top to run the car, almost—if it could be converted into power. The picture predicted sun cities in the future, powered by the energy that streams constantly from the sun.

BYA Midgets Beat PAL, 20-1

Ron Johnson pitched the Art Colvin-sponsored BYA Midgets to a 20-1 win over Police Athletic League Team 1 last week in DC Midget League play.

Coach Randy Hix, whose squad banged 19 hits, swept his bench.

Johnson fanned 14 and walked but 5. Allen Contreras, John Vocke, Bruce Hix and Gary Mendoza collected three hits each. Ed Dennis and Bill Jones got the only hits for the losers.

Charlie Morgan, BYA's nine-year-old "mighty mite" at second base, was felled by a ground ball and lost a front tooth. Little Charlie managed a single and r.b.i. before the mishap.

This Thursday the BYA kids tangle with the Matsox at Westlake park diamond, 6:30 p.m.

Hillside PTA Fashion Affair

"Around the World in 80 Minutes" will be the theme of the annual fashion show sponsored by the Hillside PTA at 8 p.m. this Wednesday in the Colma School multi-use room. Eighth grade students will model garments which they have made in sewing classes under the instruction of Miss Zarzana, homemaking teacher.

The fashion show will follow a short business meeting, the last of the current school year, to be conducted by Don Lesher, president of Hillside PTA.

Refreshments will be furnished and served by mothers of first and second grade students at Colma K-6, Thornton, and Vista Grande Schools.

DC Drug Kids Open Campaign With Two Wins

Daly City Drug baseballers Sunday opened their season with doubleheader wins over South Sunset, 5-1, and Little Village Cafe, 2-1, at Marchbanks diamond here.

Billy Ludwigsen and Barry Krohn did the hurling for Tom Bournellis' locals, and each was effective in their debuts.

Terry Christman, leading Drug batter in '57, started off with a roar. He collected five-for-five Sunday. Krohn's single, driving in Mikie Rovai, was the clutch blow in the 2-1 triumph.

The Drug nine travels to Berkeley this Saturday for an 11 a.m. engagement with Husted Garage's team. This Sunday, the locals face Dee's Asscciated at Marchbanks, first pitch at 11:15 a.m.

VFW Cagers Cop Adult Title Via 77-61 Triumph

VFW Post 2600 outscored Native Sons Parlor 29 last week, 77-61, for the Daly City Adult Basketball League championship.

George Geister led the new kingpins with 23 points in the rugged playoff. Both teams finished the regular season with 7-1 marks.

Bob Leibe and Floyd Glenn were high for the Sons with outputs of 20 and 17.

Officials for the finale were Ernie Filiberti and Pete Pontacq.

VFW players will get individual trophies and a team trophy, while the Sons are due a runnerup trophy.

Dee Van Nest, city director of parks and recreation, said the league "certainly proved one of the best in the Bay Area."

'Tips From Pros,' Free Golf Clinic At Harding Park

A free golf clinic is being conducted at the new driving range, Harding Park golf course, every Tuesday evening from 6:30 o'clock until dark.

The clinic, "Tips from the Pros," is being conducted by Fred Venturi and Joey Rey golf pros at Harding Park, in cooperation with the recreation and park department.

They will be occasionally joined by number of other golf professionals such as Virgil Shreeve, George McLeod and Dave Seylor.

JOHNSON, BURRIS, OERTWIG

Pitchers 'Prevail' In City Midget League

Fine pitching and lopsided scores marked the third week of Daly City Midget Baseball League play.

Ron Johnson's two-hitter for unbeaten BYA stopped the PAL 1 squad, 20-1, and gave the Art Colvin-backed kids a 3-0 record. Westlake Flying A stayed unconquered (2-0), though tied, as the Portola Yankees held them to a 4-0 standoff. This will be played off later.

Bobby Burris of Parkmerced yielded only one hit, to Obie Goodrich, as his mates pounded the Matsox, 12-0. And Marty Oertwig continued to impress as he blanked PAL 2 for the DC Reds, winning 12-0. Marty fanned 17 batters, allowed just one hit, and walked but five.

George Benson's San Pedro Lunch huskies played their best as they romped past Columbia Park Boys, 15-2, behind Dick Holmberg, who fanned 12 and yielded a pair of singles.

On Saturday, Benson's boys dumped PAL 1 in practice, 9-1, with Tom Snodgrass on the hill. This Saturday San Pedro meets Parkmerced there.

Mothers' Circle Benefit Dinner At Colma School

Colma School Mothers' Circle will sponsor a spaghetti and meatball dinner, followed by dancing, to be this Saturday, from 6:30 to 11 p.m. in the Colma School multi-use room.

Proceeds from the dinner will go into the Child Welfare Benefit Fund maintained by the Mothers' Circle. The fund is used primarily to give financial suport, as needed, to various activities involving students at Colma K-6, Colma Intermediate, Thornton and Vista Grande schools. It is also used to support worthwhile children's activities in the community.

Awards and table favors will be featured at this dinner. Arrangements are being made by the following chairmen: Food, Mrs. Sanford Vickers and Mrs. John Buchanan; Prizes, Mrs. Joseph Doyle, Mrs. Lawrence Sarubbi and Mrs. Jake Nofziger; tickets, Mrs. Joe Perrone; table favors, Mrs. Joseph Schultz. Tickets may be obtained by calling Mrs. Joe Perrone, PL 5-9582.

Acknowledgment is made to the following Daly City merchants for their support and contributions: Jim Koch Home Furnishings, Leslie's, Sprouse Reitz, Broadmoor Pharmacy, Porte's Department Store, Early American Paint, Gleason's Dress Shop, C. Behrend Jewelers, Colma Hardware, Lee's Pharmacy, McGraw's Pharmancy, Ray-Al's Clothing, Hopman Radio, Peter Conci Shell Station, Mode O'Day Shop, George's Shoe Repair, Relish Bakery, Daly City Drug, Westlake Richfield.

COST OF TRAFFIC ACCIDENTS

The annual cost of traffic accidents in the United States averages around five billion dollars, according to the National Automobile Club.

'TEN COMMANDMENTS'

Jews Mark 'Festival Of Shovuos' Holiday This Saturday Evening

Jews throughout the world will usher in the religious Festival of Shovuos this Saturday evening (May 24) at sunset.

Theme of the holiday is "The Ten Commandments."

The two tablets upon which were inscribed the immortal Ten Commandments thousands of years ago still constitute the great heritage of mankind—the basis of civilized society and the Golden Rule of life.

Jewish people in the Daly City area will congregate in their houses of worship "to thank the Lord for this epoch-making event in human history."

Friday evening at 8:15, Congregation B'nai Israel will open its doors to the faithful for religious services. Rabbi Solomon Shore will preach on "The Heritage of Israel." Evening services will also be held Saturday and Sunday nights at 8 p.m.

Sunday morning at 10 o'clock, students of the Sunday School will perform the entire service.

A Yiskoz service will be conducted Monday morning at 10 a.m. when names of former members of the congregation will be eulogized.

Shore reminds that the public is invited.

Fahey Promises He'll Set Night Traffic Court

A night traffic court for northern San Mateo County.

This was the promise today of Judge John J. Fahey if he is elected to the municipal court of northern judicial district in the June 3 election.

"There is a definite need for a night traffic court," Fahey said, "and I will hold such a court one or two nights a week, dependent upon the number of cases to be handled.

"Most citizens of the district are working people and it is not fair to ask them to appear in court during working hours, particularly for minor violations," Fahey continued.

"There is another reason for the restablishment of such a court. The northern judicial area is wide spread, stretching from the bay to the ocean and from Millbrae to the northern boundary of the county. I will make it possible for citizens to appear in court with the least possible inconvenience."

San Jose State Trains JC Tutors

A new program for training junior college instructors, recently announced by San Jose State College, will be explained at a meeting to be held at 6:30 p.m. this Thursday, in room 53 of the Tower Building. College seniors or graduate students interested in the program are invited by Dr. William G. Sweeney, head of the Division of Education, to attend the meeting.

According to Dr. Sweeney, the new program will be a combination of courses leading to a master's degree in a subject field and a junior college teaching credential. Under the plan, candidates may begin professional education courses required for the teaching credential prior to graduation although these courses may also be completed as post-graduate study. It is necessary to have a master's degree in order to qualify for the junior college credential.

Oratorio Society Sets New Series On Mozart 'Litany'

Community Oratorio Society is preparing a new series of oratorio presentations.

Having given a series of seven performances of Gaul's "Holy City" this Spring, they are now enlarging the repertory. Mozart's "Litany in B-Flat" is the new project, with several other short works planned. Performances are given upon request in any church.

Community Oratorio Society is a non-profit organization, operating even without membership dues. It functions as a cooperative workshop with equal opportunities for all to serve as choristers, soloists, accompanists, organists, and even conductors.

A few new members will be accepted at this time in all voice parts. Meetings are held on alternate Tuesday evenings, from 7:30 to 9:30 at Ebenezer Lutheran Church, 678 Portola. Violette M. Dale is general director and will receive applications for membership or requests for programs by telephone at LO 6-8805.
